The meeting was called to order by Councilman Mr. Burt Hengeveld who asked that a Chairman be appointed and it was agreed unanimously that Mr. Burt Hengeveld act as Chairman. Mrs. Gladys P. Kuiken acted as Secretary.

The Chairman, Mr. Burt Hengeveld, then read that portion of the Minutes of the Regular Meeting of the Town Council of the Town of Golden Beach, Florida, held on Tuesday, May 15th, 1951, with reference to the duties and the purpose of a Town Management Committee.

Mr. Burt Hengeveld, Chairman, called on the Town Manager, Mr. R. H. Kuiken, who stated that the purpose of the Meeting was to discuss the matter of either having the present Grass Cutter repaired or the purchasing of a new Woods Rotary Cutter. He stated that he had received estimated costs of repairs from the Florida Tractor & Supply Company and the Howe E. More-dock Company and both companies agreed that it would cost approximately \$300.00 to repair the present one. The Town Manager, Mr. R. H. Kuiken further stated that the purchase of a new Woods Rotary Cutter would be \$465.00 and that he had made arrangements to have this cutter demonstrated by the Florida Tractor and Supply Company in the field in front of the Town Hall. After the demonstration was completed it was the consensus of opinion that it would be advisable to purchase the Woods Rotary Cutter rather than have the present one repaired. Upon motion made by Committee Member, Mr. James T. Hennegan and seconded by Committee Member Mr. Carl T. Douglas, Mr. R. H. Kuiken, Town Manager was authorized to purchase the new Woods Rotary Cutter.

There being no further business to come before the meeting, the Chairman, Mr. Burt Hengeveld, declared the meeting adjourned.
