

TOWN OF GOLDEN BEACH, FLORIDA

ORDINANCE NO. 533.08

AN ORDINANCE OF THE TOWN OF GOLDEN BEACH, FLORIDA; AMENDING THE TOWN CODE BY AMENDING CHAPTER 38 "TRAFFIC AND VEHICLES", BY CREATING ARTICLE IV, "DANGEROUS INTERSECTION SAFETY", PROVIDING FOR RECORDED IMAGE MONITORING AND ENFORCEMENT OF RED LIGHT INFRACTIONS, NOTICE, ADMINISTRATIVE HEARING, PENALTIES, IMPOSITION OF ADMINISTRATIVE CHARGES AND COLLECTION AND FOR RELATED PROCEDURES AND PROVISIONS; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the running of red lights causes a safety hazard affecting every citizen and traveler in the Town of Golden Beach (the "Town"); and

WHEREAS, the Town wishes to reduce the running of red lights by creating an additional enforcement mechanism.

NOW, THEREFORE, IT IS HEREBY ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF GOLDEN BEACH, FLORIDA, AS FOLLOWS:

Section 1. Recitals Adopted. That the recitals set forth above are hereby adopted and confirmed.

Section 2. Dangerous Intersection Safety. That Chapter 38 of the Town Code "Traffic and Vehicles" is hereby amended by creating Article IV "Dangerous Intersection Safety", to read as follows:

Chapter 38 Traffic and Vehicles

Article IV Dangerous Intersection Safety

Sec. 38-70 Intent.

The purpose of this article is to authorize the use of an unmanned camera/monitoring system to promote compliance with red light signal directives as proscribed by this article, and to adopt a civil enforcement system for red light signal violations. This article will also supplement law enforcement personnel in the enforcement of red light signal violations and shall not prohibit law enforcement officers from issuing a citation for a red light signal violation in accordance with other routine statutory traffic enforcement techniques.

Sec. 38-71 Use of Image Capture Technologies.

The Town shall utilize image capture technologies as a supplemental means of monitoring compliance with laws related to traffic control signals, while assisting law enforcement personnel in the enforcement of such laws, which are designed to protect and improve public health, safety and welfare. This article shall not supersede, infringe, curtail or impinge upon state or county laws related to red light signal violations or conflict with such laws. Nothing herein shall conflict with the primary jurisdiction of Miami-Dade County to install and maintain traffic signal devices. This article shall serve to enable the Town to provide enhanced enforcement and respect for authorized traffic signal devices. The Town may utilize image capture technologies as an ancillary deterrent to traffic control signal violations and to thereby reduce accidents and injuries associated with such violations. Notices of infractions issued pursuant to this article

shall be addressed using the Town's Special Magistrate and not through uniform traffic citations or county courts. This shall not bar the use of uniform traffic citations and the county courts when the Town police personnel decide not to rely on this article as the enforcement mechanism for a specific violation.

Sec. 38-72 Definitions.

The following definitions shall apply to this article:

INTERSECTION. The area embraced within the prolongation or connection of the lateral curb line; or, if none, then the lateral boundary lines, of the roadways of two roads which join or intersect one another at, or approximately at, right angles; or the area within which vehicles traveling upon different roads joining at any other angle may come in conflict.

MOTOR VEHICLE. Any self-propelled vehicle not operated upon rails or guide way, but not including any bicycle or electric personal assisted mobility device.

A traffic offense whereby a traffic control signal monitoring system established that a vehicle entered an intersection controlled by a duly erected traffic control device at a time when the traffic control signal for such vehicle's direction of travel was emitting a steady red signal.

TRAFFIC CONTROL SIGNAL MONITORING SYSTEM/DEVICE. An electronic system consisting of one or more vehicle sensors, working in conjunction with a traffic control signal, still camera and video recording device, to capture and produce recorded images of motor vehicles entering an intersection against a steady red light signal indication.

Sec. 38-73 Adherence to Red Light Traffic Control Signals.

Motor vehicle traffic facing a traffic control signal's steady red light indication shall stop before entering the crosswalk on the near side of an intersection or, if none, then before entering the intersection and shall remain standing until a green indication is shown on the traffic control signal; however, the driver of a vehicle which is stopped at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection or, if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway before entering the intersection in obedience of a steady red traffic control signal, may make a right turn (unless such turn is otherwise prohibited by posted sign or other traffic control device) but shall yield right-of-way to pedestrians and other traffic proceeding as directed by the traffic control signal at the intersection.

Sec. 38-74 Violation.

A violation of this article, known as a red zone infraction, shall occur when a motor vehicle does not comply with the requirements of Section 38-73. Violations shall be enforced pursuant to Section 38-76.

Sec. 38-75 Ninety Day Notice; Introductory Period.

The Police Chief shall notify the Town Manager when the red light camera system is operating correctly at the initial location established. For the ninety days following said notification, unless the driver of a vehicle received a citation from a police officer at the time of a red zone infraction in accordance with routine traffic enforcement techniques, the vehicle owner shall receive a warning in the form of a courtesy notice of the violation. Commencing ninety one days after the above referenced notification, the vehicle owner is subject to the enforcement provisions as provided herein and no warning shall be given pursuant to this article.

Sec. 38-76 Review of Recorded Images.

(B) The notice of violation shall be provided by U.S. Mail to the vehicle owner at the address on record with the Florida Department of Highway Safety and Motor Vehicles or the address on record with the appropriate agency having such information in another state.

Sec. 38-78 Rights of Vehicle Owner; Payment of Fine; Right to Administrative Hearing; Failure to Pay or Request Administrative Hearing.

(A) A vehicle owner receiving a notice may, within twenty (20) days of the date of the citation,:

(1) Pay the assessed civil penalty pursuant to instructions on the notice; or

Notice of hearing shall be provided to the vehicle owner no less than twenty (20) days prior to the hearing and shall be provided by U.S. Mail to the address shown on the notice and/or the address provided in the request for an administrative hearing.

(C) The vehicle owner may present testimony and evidence.

(D) Recorded images indicating a red zone infraction, verified by the Traffic Control Infraction Review Officer, are admissible in any proceeding before the Town's Special Master to enforce the provisions of this article, and shall constitute prima facie evidence of the violation.

Sec. 38-80 Vehicle Owner Affidavit of Non-Responsibility.

(B) Upon timely receipt of a sufficient affidavit pursuant to this section, any prosecution of the notice issued to the vehicle owner shall be terminated. Proceedings may be commenced by the Town against the person identified in the affidavit, and in such event, such person shall be subject to the same process and procedures which are applicable to vehicle owners.

Sec. 38-81 Administrative Charges.

In addition to the penalty set forth in Section 38-84 herein, administrative charges may be assessed in the event of a hearing and/or the necessity to institute collection procedures.

Sec. 38-82 Collection of fines.

The Town may establish procedures for the collection of a penalty imposed herein and may enforce such penalty by civil action in the nature of a debt.

Sec. 38-83 Exceptions.

This article shall not apply to red zone infractions involving vehicle collisions (unless no citation or charge is issued for a violation of a state statute related to said collision) or to any authorized emergency vehicle responding to a bona fide emergency; nor shall a notice be issued in any case where the operator of the vehicle was issued a citation for violating the state statute regarding the failure to stop at a red light indication for the same event or incident.
