Resolution No. 1604.04

WHEREAS, a public hearing of the Town Council of the Town of Golden Beach was advertised and held, as required by law, and all interested parties were given an opportunity to be heard, and

WHEREAS, upon due and proper consideration having being given to the matter, it is the opinion of this Town Council that the requested variance is not contrary to the public interest and that special conditions do exist whereby a literal enforcement of the provisions of the Town's Code of Ordinances will result in unnecessary and undue hardship on the applicant; and

WHEREAS, that special and peculiar circumstances which are not the result of the actions of the petitioner or his representative affect the land, buildings or structures for which approval is sought, and further, that the denial of the request by the petitioner would deprive the petitioner of the reasonable use of his property, that the granting of this permission will be in harmony with the general purpose and intent of the Zoning Ordinances of the Town of Golden Beach, Florida, and will make possible the reasonable use of the petitioner's property and that to deny the petitioner's request would impose an unreasonable and unnecessary hardship upon the petitioner and that the granting of this permission is wholly harmonious and consistent with the best interest of the general public.
