PROPOSED EAST ELEVATION  
SCALE: 1/4"=1'-0"

PROPOSED WEST ELEVATION  
SCALE: 1/4"=1'-0"

Letter FROM THE MAYOR

As we move towards the end of the current fiscal year, we are exceptionally pleased that our assessed property values have gone up from \$939 million to \$1.03 billion. This is due largely to the recent capital improvements and new construction. It takes a concerted effort between the Council, Town staff and our residents to maintain the high quality of life here in Golden Beach.

We will begin renovations and upgrades of our Police substation/guardhouse and our Beach Pavilion in the next few weeks. The plan is to improve the aesthetic value of the main entrance into Town and the accessibility of our Beach facilities. We are also working on finalizing our lighting project options. We have looked at several options and will be making a final decision very soon.

We continue to monitor the mosquito issue. According to the Centers for Disease Control and Prevention and the Florida Department of Health, as of August 10, 2017, there have been no local cases of Zika reported. Although we can breathe a little easier, it does not mean that we stop taking the necessary precautions. Remember to continue monitoring and removing standing water as we are still experiencing significant rain events. Also use protective clothing and repellent while outdoors. The Town will continue to utilize Clarke Mosquito Management for weekly treatments to prevent any mosquito infestation. Any questions, feel free to contact Town Hall.

Please join us for our 2nd Annual Golden Beach 5K Run/Walk on September 17, 2017. Contact Town Hall for additional information. You can also register online at [www.goldenbeach.us](http://www.goldenbeach.us).

It is my hope that you have had a safe and enjoyable summer. To our new residents, welcome. If you have traveled this summer, welcome back. We continue to dedicate all of our efforts to providing exceptional services to the residents of the Town of Golden Beach.

YOUR MAYOR,

Glenn Singer

# GOLDEN BEACH GOES BACK TO SCHOOL

BY MICHAEL GLIDDEN

We're all hoping you had a great summer (Does the idea of another hamburger on the grill make you want to burst?), and we can hardly believe it all went by so fast! With August winding down that means schools in South Florida are back in session. Please be sure to keep an eye out for some of Golden Beach's smaller residents as they make their commutes to and from school. We've gathered some reminders for both drivers and kids to consider before heading out.

## For Drivers:

- **Limit distractions while driving.** Texting and phone calls can cause carelessness and could result in an accident.
- **Slow Down,** especially during the hours children are heading to and from school. Sometimes we are running late in the mornings, but slowing down and paying attention can prevent a serious accident from occurring.
- **Be aware.** Watch for children on and along the road, driveways, near parks, and bus stops. Assume a child near the road, could be in the road within moments. Whether on bike or on foot, children can quickly dart into the road without notice.

## For the Kids:

- **Use sidewalks,** they're safer than being in the street.
- **Be sure to cross at intersections.**
- **Make sure to look both ways before crossing the street.** Remember that drivers may not see you, so never walk in front of an approaching car. Walk your bike across intersections, it allows you more control if a car is coming and it gives drivers a chance to see you and stop.

**By being aware, everyone stays safe!**

# SEND US YOUR SUMMER SNAPS!

BY MICHAEL GLIDDEN

**Did you have a great summer and don't mind showing off a bit?** Whether it's the family crowded in the pool on that giant inflatable pizza slice, or scarfing on snacks at the Town's food truck events, we want to see YOU having your best summer ever. Send us your summer snaps and you might end up in the next issue of Golden Beach Magazine.

Email your photos to [mglidden@goldenbeach.us](mailto:mglidden@goldenbeach.us).

OR CHANGES ON THE TOWN NEWS STATION (CHANNEL 89)  
& ON THE MARQUEE SIGN AT THE STRAND.**

# Police BEAT

It's that time again; the sizzling summer gives way to another school year in South Florida. It's a time when students are in anticipation of seeing old friends and making new ones and excitedly help pick out school supplies and clothes for the upcoming year. It's definitely an animated and busy time for the whole family. That is why it's even more important for us to remind our kids of the importance of safety. We must stress to them the fact that it's much safer to travel with someone than to go anywhere alone. It's been proven that the buddy system can be very beneficial for children traveling to and from school. Younger kids are especially at risk in traffic situations, as they eagerly seek to explore the many adventures that await them and their bicycles. If we make sure that they develop safe and defensive cycling skills, wear proper protective gear, and learn to pay attention to the rules-of-the-road, many accidents can often be avoided. Let us also remember to routinely run safety checks on all parts (brakes, mirrors, pedals, tires, chain etc.) of our kids' bicycles.

As an additional reminder: the Florida Department of Health in Miami-Dade County once again, encourages us to have our kids immunized for the new school year. Department reminds Miami-Dade County residents that free immunization services are available for eligible children who are either returning or entering the educational world for the first time. For more info, please visit their website at [www.ImmunizeFlorida.org](http://www.ImmunizeFlorida.org), or contact the Miami-Dade County Immunization Program at (786) 845-0550.

As we slide into fall, our department will be hosting a few events including: a “Safety, Security Prevention” workshop, scheduled for September 14, 2017 at 6:30pm in the Town Council Chambers and a Movie Night will be coming sometime in October-November (specifics to be provided soon). We urge those who want to attend the workshop to please call Ms. Sheila Pirrone at (305) 936-2444 to sign up.

Another very important reminder: there are two numbers for the Guardhouse. If residents are unable to reach a CSA via the (305) 935-0940 line, please hang-up and dial (305) 935-0941.

As always, if I can be of assistance, please do not hesitate to call me at (305) 936-2444.

YOUR CHIEF OF POLICE,  
*Rudy Herbello*

## PHOTOS

1. SERGEANT LEILA PEREZ TALKS TO SOME YOUNG RESIDENTS ABOUT BICYCLE SAFETY

# *In* MEMORIAM

*The Town would like to recognize the recent passing of James R. Robinson, a longtime property manager in Golden Beach. He was well known to many of the Town's residents and staff; he will certainly be missed. The following passage was submitted by Town resident Richard Lasry.*

*James Roosevelt Robinson was born to parents Roosevelt and Elizabeth Robinson on August 21, 1944. James was the oldest of 4 children which all preceded him in death. He finished high school and was drafted afterwards. He served 2 years in the United States Army, spent 8 months in Vietnam and was honorably discharged in 1968. James worked odd jobs after the army until challenging his entrepreneurship skills and starting his own business. Working as a landscaper for 40 plus years he has built lasting friendships and relationships all over the city of Miami. There wasn't a day he missed work. Even while ill, he still tried to work because he loved what he did! He was the hardest working man our family knew. But the SECOND you needed him, he was there, no matter what. He did whatever he could to help people who needed it. He leaves behind his wife; Rhoda, two daughters; Patrice and Jamie, seven grandchildren and four great-grandchildren.*

*When James came around to say hello, all your worries and concerns seem to go away for that moment, his beautiful smile and humble mannerism made you feel good about yourself. People from all walks of life could relate and appreciate his caring character. James was not afraid to mix it up with all types of people, from the kid on drugs in the dangerous neighborhood, to the wealthy man in Golden Beach, whenever there was someone in need, you could always, always, always count on him. He was righteous, G-d fearing, proud, and humble; he had all the attributes that a hero is made out of.*

*James made the world a better place to live. Thank you for having been a part of our family. I can only imagine that the heavens smiled when you entered.*

*Amicably,*

*Richard Lasry*

# Resident NEWS

BY MICHAEL GLIDDEN

## Projects UNDERWAY AT THE STRAND AND BEACH PAVILION

The Mayor and Town Council recently approved updates to The Strand Gatehouse and renovations to the Beach Pavilion area. The projects break ground in the coming weeks and will continue over the next few months. The Gatehouse will operate as usual; though the Beach Pavilion will close while construction is underway (beach access at the Pavilion will not be affected).

The Gatehouse will get a modern, more streamlined look, reflecting the contemporary designs of new homes appearing within Town. The Beach Pavilion area will undergo renovations, adding luxurious new outdoor showers, completely overhauled restroom areas, as well as a reimagining of the outdoor lounge area. Here's a sneak peek of the renderings of the anticipated updates.

BY MICHAEL GLIDDEN

# Landscape Irrigation RESTRICTIONS

Miami-Dade County

Existing Landscaping:

- Watering is NOT allowed between 10 AM and 4PM
- Residents with ODD numbered addresses may water lawns and landscaping on Wednesdays and Saturdays from 12AM to 10AM and/or 4PM to 11:59PM
- Residents with EVEN numbered addresses may water lawns and landscaping on Thursdays and Sundays from 12AM to 10AM and/or 4PM to 11:59PM

New Landscaping/Sod:

- Water regulations for New Landscaping and Sod fluctuate depending on age and specifics of Landscaping. Please consult South Florida Water Management District website for full details at [www.sfwmd.gov](http://www.sfwmd.gov)

Avoid Code Citations: DID YOU KNOW?

Grass over 6” is a violation of Town Code with a \$150 fine for the first offense (multiple offenses result in increased penalties). Keep your lawn maintained to help keep Golden Beach looking its best while avoiding costly code citations.

# Town IS UPDATING ITS DATABASE

In hopes of better serving our residents, the Town is updating its existing resident database. Many of you have spoken with the Town’s liaison, Isaac Rubin, in the past few weeks as we’ve worked to update our records.

Thank you to everyone who we’ve been able to speak with so far, and we hope to reach out to all residents by the end of the summer. We’ve also been listening closely to feedback from residents during the database update. The Town will be conducting a comprehensive survey in the coming months so that we may better address the needs of our residents.

# Golden Beach SERVICE AWARD WINNER ANNOUNCED

At a recent ceremony held at Alonzo & Tracy Mourning Senior High School, Golden Beach resident Zachariah Geduld was recognized as the recipient of the 2017 Town of Golden Beach Service award. Zachariah has been is a familiar face around Town, participating in countless Golden Beach events. While clocking in over 1000 hours of community service, Zachariah also managed to maintain a commendable 4.81 GPA.

Serving as a member of the National Honor Society, the Mu Alpha Theta Mathematics Honor Society, Science Honor Society, the Rho Kappa Social Studies Honor Society, and National Society of High School Scholars, Zachariah was also a recipient of the Leo Pharma National Psoriasis Foundation Youth Ambassador Scholarship. He also belonged to the tennis team, was the founder of the Time2Tutor program and served as President of the Golden Beach Youth Leadership Group.

Golden Beach Vice Mayor Judy Lusskin, who oversees the Town’s Youth Leadership Group was proud to present Zachariah with his award at the ceremony.

# Important Notice REGARDING TOWN PEDESTRIAN GATES

The Town of Golden Beach would like to remind residents that tampering with, manipulating or destroying the lock/locking mechanism on any of the Town’s pedestrian gates is an arrestable offense. Anyone caught attempting to disable the Town’s gates will be considered committing an act of vandalism and will be charged accordingly. Residents please also alert your staff that the Town is moving forward with a zero-tolerance policy on anyone damaging or attempting to damage Town property.

Food Trucks:  
TAKE A BITE OUT OF  
SUMMER!

BY MICHAEL GLIDDEN

The Town is helping its residents make the most of their summer vacation by offering FREE food trucks snacks at the Beach Pavilion on one weekend day a week for the months of August and September. Due to an increased demand, residents must redeem a voucher ticket for each date in order to collect food. The Town mailed out food truck voucher booklets in late July, please contact Town Hall if you have not received your vouchers. Food will not be given without a voucher ticket. Check out the list of all our vendors and don't forget to come early, as supplies are limited! Each event is limited to 150 servings and service concludes once the budget for that day has been exhausted.

Saturday, September 2nd: Miami  
Grilled Cheese

Sunday, September 10th: Moty's  
Mediterranean Grill

Saturday, September 16th: Papas  
Mix

Sunday, September 24th: Pizza  
Zilla

Get Outta Here: SOUTH GATE  
WILL NOW ALLOW EXITING

BY MICHAEL GLIDDEN

Recognizing residents' requests for a speedier way to exit Town, the Mayor and Town Council recently approved a plan that will allow residents to leave Town through the South Gate. No need to register for a new transponder, the existing transponders issued to residents for access to The Strand and Beach Pavilion will trigger the South Gate to open. Please note: transponders will open the South Gate for EXITING Town only. Entrance into Town MUST happen through the Gatehouse at The Strand. Guests will still need to enter and exit via The Strand.

Mosquito SPRAYING

BY MARIE TALLEY

Clarke Environmental Mosquito Management has been contracted to provide mosquito management services to the Town of Golden Beach. They will actively address any mosquito-related issues in the Town through October 2017. This will include community-wide truck ULV treatments, barrier treatments for our parks and beach/pavilion, and treatments of our catch basins, inlets, and manholes.

Truck ULV treatments (fogging/spraying) will take place weekly on Wednesday mornings from 5:00 – 6:00 A.M. Following this, Clarke will then conduct the barrier treatments. All treatments shall be completed and Clarke employees will have left Town no later than 9:00 A.M.

Town Hall also has bottles of OFF mosquito repellant spray; residents wishing to collect a bottle may stop by Town Hall.

Please contact Town Hall with any questions or concerns at (305) 932-0744

Permit Deviation  
CAN COST YOU

BY MICHAEL GLIDDEN

A friendly reminder from the Town's Building & Zoning Department: When doing construction within Town, please remember to pull appropriate permits for all work being done. If you are unsure if the scope of work you are completing is covered under your permit, please speak with the Building Department's permit clerk at Town Hall. Any work that deviates from plans submitted can lead to construction delays, additional permit fees and penalties.

BY MICHAEL GLIDDEN

Please Donate CLOTHING AND HOUSEHOLD GOODS FOR BREAST CANCER

Breast cancer awareness month is just around the corner! Please help your neighbor, Rebecca Friedman, collect clothing and small household goods to donate to the Florida Breast Cancer Foundation (“FBCF”). The FBCF sells the donations and uses the funds for scientific research, education and advocacy programs in Florida for those suffering with breast cancer and their families. Rebecca will be collecting items now through October 31, 2017. The best part, Rebecca will pick up your items from your home.

Rebecca, a life-long resident of Golden Beach, is a 6th grader at Norman S. Edelpcup Sunny Isles Beach K-8. Rebecca, along with her brother, Steven, will be celebrating their B’nai Mitzvah this November. Because Rebecca’s mom is a breast cancer survivor, Rebecca has chosen to collect items for the FBCF as her “mitzvah project” to help other families coping with breast cancer.

If you have any donations, please contact Rebecca at (305) 905-2679 or ralfriedman@hotmail.com to make arrangements for pick-up. Thank you!!!

What ARE THOSE POLES?

Residents on the beach have noticed plastic poles dotting the sand, so what exactly are they doing there? While some may speculate they have something to do with marking sea turtle nests, these poles are actually indicators for the mean high water line.

Important IGUANA UPDATE

The Town is addressing the spike in iguana complaints from residents. We have hired a new iguana treatment company in hopes of more aggressively tackling what has become an ongoing issue. The Town’s Public Works Department will oversee the iguana program starting September 1st. Please reach out to Public Works Director Kirk McKoy at kmckoy@goldenbeach.us or (305)932-0744 x235 for iguana treatment inquiries.

BY TAYLOR CAMACHO

# A Parents’ Easy Back-To-School GUIDE FOR TEACHING “STRANGER DANGER”

As the summer vacation comes to an end it is important for parents to go over some vital back-to-school information with their children. Here are 5 easy steps to make sure your children know the dangers of strangers.

## STEP 1: HAVE THE TALK EARLY ON

Talking to your children about Stranger Danger is a critical part of their development. If you make a point to remind them every day before school, “don’t talk to strangers,” the information becomes ingrained in them.

## STEP 2: CLEARLY DEFINE WHO IS A “STRANGER”

The best way to define a stranger to your child is stating that “a stranger is anyone unfamiliar to you.” Make it clear that strangers can be nice and friendly, but they are still strangers. Be sure to make them aware of suspicious adult behavior. This includes asking to look for a lost puppy or offering candy if you follow them.

## STEP 3: USE DIFFERENT METHODS TO PRACTICE THE DO’S AND DON’TS

There are many different ways to help your child be prepared should they ever be caught in an unsafe situation. Some of these methods include:

**Family Code Words:** In the event that you do have to have someone else pick up your child they should be able to say a code word to your child so they know that you did in fact send them.

**Role-Play:** Go over how your child should respond to certain scenarios. For instance, ask them what they would do if a stranger in a car pulled up next to them and asked to give them a ride home. They should know to say no and if need be, to run in the opposite direction the car is going as they will have more time to get further away because the car would have to turn around.

**Differentiate between safe and unsafe strangers:** Your child should be aware that police officers can be trusted. Strangers asking for you to get into their car or offering them candy or toys are not to be trusted.

**Rules when home alone:** Make sure you go over who, if anyone, they are allowed to open the door to, as well as who they are allowed to speak to on the phone.

**Secrets that shouldn't be kept:** “Body Secrets” should never be kept. Be sure to let your child know that they should not be ashamed if someone touches them; it is not okay for someone to touch them, and that they should tell you or a teacher immediately.

## STEP 4: BE DIRECT

In many cases, parents feel that their children are too young to comprehend what needs to be known about “stranger danger.” The reality is that it should be an ongoing conversation. You shouldn’t withhold any information due to worry of scaring your children. It is so much better to be safe than sorry. As said before, there should be a repetition of information. The saying “don’t talk to strangers” should always be fresh in their minds, not just something they were told on the first day of school.

It is important to take precautionary measures when dealing with the safety of your children. The fact of the matter is, there are legitimate dangers out there. Do the most you can to protect your family and prevent a tragedy.

# Second Annual GOLDEN BEACH 5K

On September 17th, the Town will be hosting the second annual 5k run and we want you to be there! Don’t run? That’s OK! Feel free to walk, it’s your participation that counts. Founder and creator of the 5k, Alan Wolfson believes it is perfect way to bring a sense of community to both Golden Beach residents and employees. Working with the Golden Beach Leadership Group (GBLG), they decided to have the proceeds go to a Florida enrichment program known as Best Buddies.

This organization was founded in 1989, becoming America’s first national, unified, social, and recreational program for people with intellectual disabilities. Since then, it has been represented in 212 elementary, middle, and high schools and on college campuses across Florida where it has matched 65 adults with intellectual and developmental disabilities in one-to-one friendships in the Citizens programs in Central and South Florida.

The run will begin promptly at 7:30am at Town Hall, where runners who registered by September 5th will get their shirts, then continue North along Golden Beach Drive to Massini Avenue where it will loop back and end at Town Hall. Upon completion, runners and walkers will be offered food catered by Moe’s Southwest Grill and Whole Foods. Plenty of water will also be provided at mile markers one and two. Volunteers to hand out food and drinks during and after the run are needed and appreciated. For more information on volunteering contact Destiny Camacho at (305)-932-0744.

You can register at [www.goldenbeach.us](http://www.goldenbeach.us). You may also have your company sponsor the event at the bronze, silver, or gold level. Each tier of sponsorship includes their company name or logo on the official 5k shirt, a banner to hold during the run, and a booth or table space on race day. Additional advantages for silver and gold sponsors can be seen on our website.

We hope to see you there!

# Mosquitoes and Construction Sites

Disease-spreading mosquitoes can breed in nearly any container that holds water. This can include items around a construction site, such as water-filled jersey barriers, concrete floors, construction dumpsters, drums, five-gallon buckets, plastic litter, empty cans and bottles, plumbing and duct banks, elevator vaults and the like.

If you manage a construction site, here's how you can reduce mosquitoes at your site:

## **WATER-FILLED CONSTRUCTION BARRIERS**

Water-filled construction barriers can breed mosquitoes. Even when empty, rainwater can enter through cracks or an open drain plug. Here's how to keep them from breeding mosquitoes:

- Treat them with a commercially available mosquito larvicide that contains Bti (*Bacillus thuringiensis israelensis*), methoprene, or larviciding oil.
- Cover and seal barriers properly, replace damaged barriers.

## **CONSTRUCTION DUMPSTER**

Mosquitoes take about one week to go from egg to adult. Have your construction dumpster emptied at least once per week to break up the mosquito life cycle. Additionally, treat dumpsters with a commercially available larvicide (see above).

## **FIVE-GALLON BUCKETS, PLUMBING AND DUCT BANKS, AND OTHER SMALL CONTAINERS**

Here's how to keep these items from breeding mosquitoes:

- Remove any unnecessary containers such as buckets; for containers you do need, either turn them upside down or store them where they can't fill up with rainwater.
- Discard or eliminate old bathtubs, sinks, toilets, or other plumbing fixtures. If you need to keep them onsite, cover them or store them where they can't fill up with rainwater.
- Keep building materials and supplies off the ground and positioned in such a way as to avoid creating areas of standing water and areas that are inaccessible for treatment.
- Seal duct banks and keep shower, spa, and pool areas free of water.

## **CANS, BOTTLES AND OTHER FOOD AND BEVERAGE CONTAINERS**

Provide workers with a container or bag for proper disposal of cans, bottles and food or beverage containers when they're done. Mosquitoes can lay eggs in an item as small as a bottle cap from a water or soda bottle.

- Keep work areas in workmanlike order.
- Treat elevator vaults with a commercially available larvicide (see above).

## **PROTECT YOUR WORKERS FROM MOSQUITO BITES**

Make sure workers wear long sleeves, long pants and socks, and put on mosquito repellent.

For more information on mosquito control in Miami-Dade County, call 311 or visit [www.miamidade.gov/mosquito](http://www.miamidade.gov/mosquito).

**Don't let your construction zone become a mosquito zone.**

For More Information  
**CLICK HERE**

# Keep in Mind:

Discharging pool water into storm drains puts chlorine and chemicals into our waterways. Protect our water by properly draining your pool.

## Join In! Help Out! Have Fun!

ARE YOU A GOLDEN BEACH RESIDENT AGED 10 TO 18 YEARS OLD? ARE YOU LOOKING FOR A WAY TO GET INVOLVED AND HELP THE COMMUNITY AROUND YOU, ALL WHILE MEETING OTHER KIDS WITH SIMILAR INTERESTS? IF SO, CONSIDER JOINING THE GOLDEN BEACH YOUTH LEADERSHIP GROUP. THE GROUP MEETS

SEVERAL TIMES A YEAR AT TOWN HALL TO DISCUSS AND PLAN EVENTS. AS A GROUP, MEMBERS PARTICIPATE IN COMMUNITY SERVICE ACTIVITIES INCLUDING BEACH CLEAN-UPS AND FOOD DRIVES. IT IS AN EXCELLENT WAY TO EARN COMMUNITY SERVICE HOURS FOR SCHOOL AS WELL AS HAVE A GREAT TIME AND MAKE FRIENDS. IF YOU'RE INTERESTED IN JOINING THE GOLDEN BEACH YOUTH LEADERSHIP GROUP PLEASE CONTACT [MGLIDDEN@GOLDENBEACH.US](mailto:MGLIDDEN@GOLDENBEACH.US) TO BE ADDED TO THE GROUP EMAIL LIST, OR YOU MAY CONTACT GOLDEN BEACH COUNCILMEMBER AND GOLDEN BEACH YOUTH GROUP ADVISOR JUDY LUSSKIN AT (305) 986-4377.

### You did this.

For the past two years, the Town of Golden Beach has helped support the nearly 200 Teach For America teachers working in 40 of Miami-Dade's highest-need schools. From all of our teachers and the 20,000+ students they impact every day... **thank you.**

Help us make an even greater impact right here, in our own backyard, by sponsoring a Teach For America teacher in Miami-Dade. For more information on how to get involved, call (305) 432-1158 or visit us at [miamidade.teachforamerica.org](http://miamidade.teachforamerica.org).
