To whom it may concern,

I am writing this letter of recommendation to endorse Town of Golden Beach Town Manager Alexander (Alex) Diaz for the "Professional Management Matters Award". Alex is a dedicated professional, with over 20 years of experience in the public service field.

I remember when I hired him thinking will this young man in his late 20's with no experience managing a city be able to meet the demands of running the Town? However, any doubt I had, he overcame proving himself to be loyal, hardworking, and dedicated to the betterment of the Town of Golden Beach. He excelled my expectations and catapulted the Town into a modern, beautifully maintained, highly sought out place to live.

Having known him for over thirteen years, I can honestly say that he is a person who leads by example. All of his staff truly look up to him and are always inspired by his work ethic and dedication, and know that they can always count on him being a true professional.

Alex is a natural leader, who is not afraid to get his hands dirty. Once he sets out to work on something, there is no project or task that he cannot complete – he truly is the definition of a go-getter.

I strongly recommend that you choose Alexander Diaz for the "Professional Management Matters Award". He is always professional, kind, and generous. He is a dynamic worker, who always goes the extra mile regardless of how big or small the project he is undertaking is.

Please feel free to reach out to me if you require any additional information. Thank you for your consideration.

Sincerely,

Glenn Singer

Mayor
