By **Site Staff** -January 25, 2021

Golden Beach Town Manager Alexander Diaz was recognized with the 2020 Professional Management Excellence Award by the Florida City and County Management Association for his successful initiation of projects to enhance the wellbeing and welfare of Golden Beach residents. Through his leadership, Diaz successfully increased the Town's assessed values from \$450 million to \$1.3 billion and oversaw the process from proposal to final design selection of the much anticipated Civic Center Complex. Ground will soon be broken on the this multi-million-dollar project. Town Manager Diaz has transformed a once-sleepy enclave of part-time, snowbird residents into a thriving community in step with modern times, while still preserving the historical, small-town characteristics that its residents love. During the last decade, the Town has experienced a rebirth, which could not have been accomplished without the exceptional leadership of Town Manager Alexander Diaz.
