## TOWN OF GOLDEN BEACH ON-LINE PERMITTING

PROCESSING INFORMATION

FOR
CONTRACTORS
AND RESIDENTS

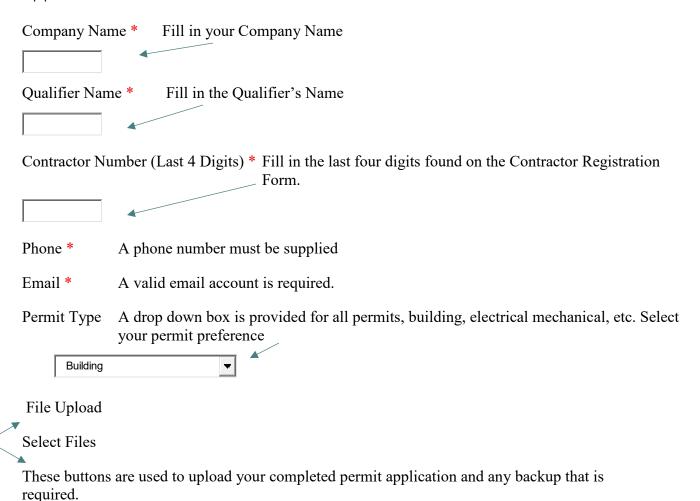

## Town of Golden Beach

**Building Department** 

305-932-0744 extension 234 or 237

The following are Instructions on how to apply for online permitting:

- 1. The Town's on-line permitting will be limited to certain permits. Permits that require large signed and sealed plans will not be permitted through the online permitting system and an appointment is needed for submittal to the department. Appointments can be made through the Town's website by accessing the Building Department Portal.
- 2. All Contractors must be registered with the Town, have a valid email account, PDF software, and have access to the Town's website in order to apply on-line.
- 3. To start the process you must first check with our department to see if you are registered and that your current contractor information/registration is up-to-date in the system.
- 4. If your Company is in a current status you can apply by accessing the Town's website at <a href="www.goldenbeach.us">www.goldenbeach.us</a>, you then access the Building Department section where you will find a button referred to as "on-line permitting applications Apply Now".
- 5. Once you click on this access button a form will appear called "online permit application", which looks like this:

6. Once you complete the form and click the submit button you will receive a (no-reply) email stating that a representative of the department will verify your information.

- 7. Upon verification and input of your information an invoice for the initial process fee we be sent to you for payment to the email account on file. When you receive your invoice you can make payment by sending us a PDF of your issued check by responding to our email you received, or by sending a payment check in the mail to: Town of Golden Beach, 1 Golden Beach Drive, Golden Beach, FL. 33160, Attention: Building Department Payment Enclosed.
- 8. Once your payment is received your application will be routed to the appropriate plans examiner for approval. Should your application not receive an approval you will be sent comments to the email account on file for resubmittal of the corrected information required.
- 9. Upon approval of your application, a staff member will calculate the fees due the Town and email you the invoice for payment, and notify you that your application has been approved, your options for payment remain the same as stipulated in paragraph 7 above.
- 10. Once your payment is received and posted you will receive an email with your approved permit and backup documents, if applicable.
- 11. You will then be permitted to move forward with your construction schedule and call in for inspections.
- 12. Below is a schedule of permissible permits, plan and the backup requirements, if any, all permits submitted require a permit application and a copy of the signed contract between the Owner and Contractor:

| BUILDING                  |                                                                                                                              |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------|
