

# CRIME ALERT 4.29.23

Early this morning Golden Beach police officers and Sunny Isles Beach Police were attempting to stop a stolen car that was heading north on Ocean Drive. As the suspects attempted to go north on Hallandale Boulevard, they lost control of the vehicle and took off running. Golden Beach began a foot pursuit, and during that pursuit one of our Sergeant's was shot twice in the arm. He is in stable condition and going into surgery. We are grateful the injuries to our Sergeant are not more severe. Another one of our officers assisting on the call was side swiped. He sustained no injuries. Hollywood Police took the shooter and an additional suspect into custody.

This incident did not occur in Golden Beach, however we want to stress the importance of safety and vigilance.

Please be aware of your surroundings and if you see something suspicious or need assistance call the Town's substation at (305) 935-0940. **For Eemergencies, please dial 9-1-1.**
