GENERAL

Please verify that your permit application package contains all applicable items which are *required for permit issuance*

- * Permit application (s) completely filled out (Sub-permit which can be submitted after Master Permit issuance). For Zone 1 (east side of Ocean Blvd.) refer to the requirements for Habitable Structures Located Seaward CCCL
- *Copy of a signed contract between the Contractor and Owner as well as any Sub-Contractors showing all costs of construction this includes labor, material and any owner supplied items required to complete construction.
- * Two (2) sets of plans drawn to scale (signed and sealed by designer when required by Code)
- * Two (2) plot plans or surveys (in both NGVD and NAVG 88)
- * Two (2) product approvals (must submit all sheets and additional information required by the approval) for roofs, windows, exterior doors, shutters skylights
- * Two (2) sets of energy calculation forms and heating / cooling load calculations.
- *Two (2) sets of plans with the show drawing review stamp and signed by the Architect/ Engineer of record.- REQUIREMENT SHOP DRAWINGS

PLANS MUST BE IN THE FOLLOWING ORDER:

- G for General Sheets: Cover sheet, plan index, and location plans- 24" x 36".
- A for Architectural drawing
- C for Civil drawings
- S for Structural
- M for Mechanical
- E for Electric
- P for Plumbing
- IR for Irrigation
- L for Landscaping
- DERM approved plans- submit separately- one set 11" x 17"

STAMPING PLANS FOR SUBMISSION: You should have two sets:

- ONE SET- for the TOWN and it should be stamped with the TOWN STAMP (BLUE STAMP)
- SECOND SET- for the JOB and it should be stamped with the JOB STAMP (RED STAMP)

Please make sure to stamp each page with the Signature stamp (BLUE BIG STAMP) ON BOTH SETS.

VOIDING PAGES: When voiding any page in the sets fold the corner of the end and staple it and stamp it with the VOID STAMP with the date it is being voided. You will then insert the correct page on top of the page being voided. NOTE: Do not remove any pages out of the sets.

CORRECTION: If voiding pages see above instruction how to void (if applicable). Stamp new pages with the RECEIVED STAMP and date submitting. A Narrative Summary is required to submit when submitting a correction/ revision.

BRAB SUBMISSION: Stamp every page except the application which only needs the first page stamped with the BRAB stamp with the BRAB meeting date. Each package shall consist of an application, survey, warranty deed, civil documentation and drawings as required. The plans shall be sized as follows: two set 11" x 17", and 1 USB containing all drawings marked with the address. The landscape submittal should be in a separate- 2 sets -one set 11" x 17", the other full size set 24" x 36"and 1 USB containing all drawings
