MEMORANDUM

Date: May 17, 2022

To: Honorable Mayor Glenn Singer &
Town Council Members

From: Alexander Diaz, *Alex B*
Town Manager

Subject: Resolution No. 2815.22 – Approval A Proposal to Purchase
and Install Electrical and Lighting Equipment on Ocean Blvd.

Item Number:

5

Recommendation:

It is recommended that the Town Council adopt the attached Resolution No. 2815.22 as presented.

Background:

The street lighting along Ocean Blvd. has started to malfunction at more than 8 locations. As we investigated the cost and logistics of replacing the lighting at those locations, we discovered that most of the fixtures are out of date and the equipment required is no longer available. In an effort to achieve consistency throughout the Town, the replacement of all lighting fixtures to LED lights will achieve the aesthetic and energy efficiency goals. The poles themselves will also be refurbished with a new coat of paint.

The cost of replacement fixtures is approximately \$36,500.00

The cost for labor and installation is approximately \$35,000.00

The cost for painting all mast arms and fixtures is an approximate \$27,000.00

Soft costs allocation of approximately \$20,000.00

I am recommending that this project and the proposed costs be approved.

Fiscal Impact:

The fiscal impact for this Item is \$118,500.00 Funds will come from the Street Repair and Maintenance budget. There are soft costs that are not listed and fall within the Administrations spending authority.
