MEMORANDUM

Date: May 17, 2022

To: Honorable Mayor Glenn Singer &
Town Council Members

From: Alexander Diaz, *Alex B*
Town Manager

Subject: **Resolution No. 2817.22 – Approving contract with Southeastern Engineering Contractors to revise the curb and gutter slope along South Parkway allowing proper drainage.**

Item Number:

7

Recommendation:

It is recommended that the Town Council adopt the attached Resolution No. 2817.22 as presented.

Background:

Our roads and streets are being evaluated frequently for proper drainage and catch basin debris removal. As time passes, the settlement of the roadways and curbs vary by location. We have notice that the southern roadway of South Parkway has been retaining water along the southern valley gutters and not flowing to the catch basins. The modification to the slope of the valley gutters must be revised in order to allow the proper flow of storm water to our outfall system. Additional revisions to be made include (7) catch basin elevation changes to match the new slope, Sidewalks, D-Curbs, resetting of pavers, and Asphalt repairs.

Fiscal Impact:

The fiscal impact for this project is \$ 34,166.80. Funds will come from the 541-465-000-000 Street Repair and Maintenance.
