MEMORANDUM

Date: August 30, 2022

To: Honorable Mayor Glenn Singer & Town Council Members

Item Number: 11

From: Alexander Diaz, Town Manager

Subject: Resolution No. 2832.22 – Proposed Millage Rate, Voted Millage Rate and Budget Hearing Dates

Recommendation:

It is recommended that the Town Council adopt the attached Resolution No. 2832.22 as presented.

Background:

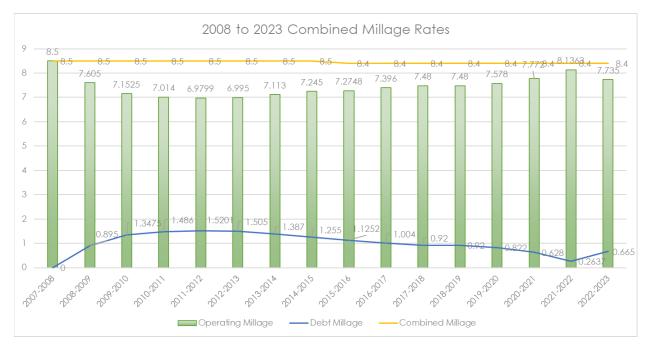

The Administration is recommending a total combined millage rate for the Town of Golden Beach that would not exceed 8.4000 mills <u>for the TRIM (Truth In Millage) notice</u>.

When I present our budgets at the September 13, 2022 and September 28, 2022 budget hearings, it will continue our focus of providing "value of services for tax dollars paid" by continuing to provide those services our residents have come to expect of <u>Golden Beach and this Administration</u>.

The Town's Millage

The Town's assessed values of \$1,438,422,337 is the highest it has ever been, and is a strong indication that our community continues to be a highly sought after place to live and a solid investment for our residents. The Town has seen an unprecedented number of new pending sales indicating strength in our real estate market.

I recommend that the Town's combined millage rate remain unchanged. If the Council approves my recommendation, our combined millage rate will remain at 8.400 mills, the same as the previous year.

The 7.735 operating millage, which at 95% will generate \$10,569,887 for the General Fund Budget.

The Town has maintained our combined millage at 8.4 mills since FY 2015/2016, and we are committed to continue doing so.

The tentative millage will support our:

Strategic Priorities Moving Forward

While every aspect of the Town's Services is important, this coming year we will focus on some core areas: Public Safety/Security, Capital Projects and Infrastructure.

Organizational Excellence & Financial Stability

- Maintain efficient and responsive government, which embraces the highest standards of service and citizen engagement and commits to the goals of the strategic plan.

Security and Safety

- We will continue our initiative that maintains the standard of police service and enhanced safety for all residents, employees and guests.

Recreation and Infrastructure

- Continue to provide a high standard of parks and infrastructure to best serve the community and plan for future demands, as Golden Beach's needs change. In addition, we will continue to maintain the highest quality of resident recreational activities, by continuing to offer the most successful and highly attended events.

Residential Character and Community Enhancement

- Maintain the appearance of the Town and the quality of life for residential living by preserving the streetscape, minimizing impacts from development, protecting the caliber of our facilities, and planning for the future needs of our community.

Our Capital Projects goals are never quite finished, and this is why we will continue to look for the necessary resources to meet future projects. Left on our list (in no particular order):

- Complete Re-Design of a new Tweddle Park
- The Wellness Center
- Renovation of the Auxiliary Building
- Wall at Massini Avenue
- Proximately Detectors and Cameras on the Intercostal and Ocean
- Increasing the crown of the road on Golden Beach Drive
- Beach Pavilion Modernization
- A-1-A Tree Lighting Replacement

We will work to identify funds for these projects without raising taxes, looking for grants, and minimizing costs.

This tentative millage allows us to prepare a budget that takes care of the needs and services of residents in the here and now, while looking ahead and anticipating how we will meet these requirements in the future. I continue to be enthusiastic about the Town's future. You have my personal commitment that we will make the Town proud of our continued dedication to the heritage and tradition of Golden Beach, and that we are an organization you can trust and believe in, and one you can admire for the good that we do and the future direction towards which we steer.

Our Strategic Goals

Our strategic goals remain the same and these four guide the Town's activities, including preparation of the annual operating budget. These goals align the financial decisions included in the annual budget and Capital Improvement Program (CIP) to the services provided by the Town.

Goal #1: Town Services – Ensure that town services assist in creating a superior quality of life and a safe atmosphere where people desire to work, live, and enjoy the Town's amenities.

Goal #2: Fiscal Responsibility – Provide exceptional value for community-provided resources and strive for long-term financial balance in the Town's operational and capital activities.

Goal #3: Reinvestment – Promote and support efforts to improve our island community to continue the Town's reputation as a safe and friendly community.
