MEMORANDUM

Date: January 28, 2020

To: Honorable Mayor Glenn Singer &
Town Council Members

From: Alexander Diaz,
Town Manager

Subject: Resolution No. 2665.20- Approving the Proposal from
Southeastern Engineering Contractors, Inc. for High Tide
Improvements

Item Number:

9

Recommendation:

It is recommended that the Town Council adopt the attached Resolution No. 2665.20 as presented.

Background:

Last year (2019) the Town assessed its Stormwater System to identify areas of vulnerability subject to Tidal influence.

We are also currently designing a plan to address ground saturation and make recommendations at a later time.

To alleviate Tidal Flooding, Craig A. Smith and Associates identified 11 maintenance modifications/repairs/additions (see attached) that will assist occasional Tidal Flooding throughout Town.

The Town received two proposals (attached) to implement the recommended maintenance to the existing system.

We are recommending that we award this maintenance work to the competitive respondent, Southeastern Engineering Contractors, Inc.

Fiscal Impact:

\$131,512.00 from the Town's Storm Water Fund.

AGREEMENT

THIS AGREEMENT, made and entered into on this 18th day of February, 2020 by and between Southeastern Engineering Contractors, Inc. Party of the First Part, and TOWN OF GOLDEN BEACH (OWNER), Party of the Second Part:

WITNESSETH:

That, the First Party, for the consideration hereinafter fully set out, hereby agrees with the Second Party as follows:

1. That the First Party shall furnish all the materials, and perform all of the work in manner and form as provided by the Drawings and Bid Schedule as provided in the Solicitation for Bids which are attached hereto and made a part hereof, as if fully contained here:
2. That the First Party shall commence the work to be performed under this Agreement on a date to be specified in a written order of the Second Party and shall complete all work hereunder within the length of time stipulated in the BID.
3. That the Second Party hereby agrees to pay to the First Party for the faithful performance of this Agreement, subject to additions and deductions, in lawful money of the United States, the amount of:

One Hundred Thirty One Thousand Five Hundred Twelve Dollars and Zero Cents

(Written Dollar Amount)

dollars (\$ 131,512.00), based on the estimated quantities and Unit or Lump Sum Prices contained herein.

4. That the Second Party shall make monthly partial payments to the First Party on the basis of a duly certified and approved estimate of work performed during each calendar month by the First Party.
5. That upon submission by the First Party of evidence satisfactory to the Second Party that all payrolls, material bills, and other costs incurred by the First Party in connection with the construction of the work have been paid in full, final payment on account of this Agreement shall be made within 60 days after the completion by the First Party of all work covered by this Agreement and the acceptance of such work by the Second Party.

6. In order to comply with the Town's requirements, by executing this Agreement, Contractor certifies that it does not discriminate in its membership or policies based on race, color, national origin, religion, sex, sexual orientation, familial status or handicap. In such event, no further payment to the First Party shall be deemed to be due under this Agreement until such new or additional security for the faithful performance of the work shall be furnished in manner and form satisfactory to the Second Party.
9. No additional work or extras shall be done unless the same shall be duly authorized by appropriate action by the Party of the Second Part.
