

TOWN OF GOLDEN BEACH, FLORIDA

RESOLUTION NO. 2735.21

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF GOLDEN BEACH, FLORIDA, AUTHORIZING THE USE OF LAW ENFORCEMENT TRUST FUND (LETF) MONIES TO MAKE A \$5,000 CONTRIBUTION TO THE UNITED WAY OF MIAMI-DADE; PROVIDING FOR IMPLEMENTATION; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Town desires to make a \$5,000 contribution to The United Way of Miami-Dade to create economic opportunities to families and individuals in need by providing financial, health and emergency response services to residents of Miami-Dade County; and

WHEREAS, the United Way of Miami-Dade is an organization committed to making sure all children have access to a quality education, individuals and families have the proper skill sets to land and keep good jobs, and that everyone have access to affordable, quality health care; and

WHEREAS, the Town's LETF account includes assets forfeited to the Town by authority of the Florida Contraband Forfeiture Act and by the Federal Asset Forfeiture Statutes; and

WHEREAS, the Town Council desires to utilize LETF funds to pay for this contribution; and

WHEREAS, the monies contained in the LETF are the result of seized assets from both investigations by the Town's Police Department and joint investigations with other law enforcement agencies – not from tax revenue; and

WHEREAS, the Chief of Police has recommended that the \$5,000 cost be taken from the Town's LETF for "***other law enforcement purposes***" specifically authorized by law; and

WHEREAS, the Chief of Police certifies that this expenditure complies with § 932.7055, Florida Statutes, and / or the Federal Seizure statutes in that the funds will be used for an appropriate law enforcement purpose; and

WHEREAS, the Chief of Police certifies that the Town's LETF is not being used as a normal source of revenue for the Town Police Department; and

WHEREAS, the Chief of Police certifies that the Town's LETF was not considered in the adoption and approval of the Police Department budget; and

WHEREAS, the Town Council finds that it is in the best interest of the Town to proceed as indicated in this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF GOLDEN BEACH, FLORIDA, AS FOLLOWS:

Section 1. Recitals Adopted. That each of the above-stated recitals is hereby adopted and confirmed.

Section 2. \$5,000 Contribution to the United-Way of Miami-Dade is Authorized. That the contribution of \$5,000 to the United Way of Miami-Dade in two installments paid out over two fiscal years, and the use of LETF funds to make the contribution are hereby authorized and approved.

Section 3. Implementation. That the Mayor and Town Manager are authorized to take any and all action which is necessary to implement this Resolution.

Section 4. Effective Date. That this Resolution shall be effective immediately upon adoption.

Sponsored by **Town Administration.**

The Motion to adopt the foregoing Resolution was offered by Vice Mayor Lusskin, seconded by Councilmember Einstein and on roll call the following vote ensued:

2019-2020 ANNUAL REPORT

Fighting for the health, education
and financial stability of every
person in our community.

95 YEARS
STRONG

MISSION

Building community by helping people care for one another.

VISION

We will have a caring community strengthened by its diversity and compassion. United Way will be seen as a catalyst in building community by bringing hearts, minds and resources together.

Dear United Way friends,

2019-2020 was a year like no other, and one we are not likely to forget.

Throughout its history, our United Way has weathered many literal and figurative storms and, time and again, it has demonstrated its ability to react quickly in response to unprecedented challenges.

This annual report reflects our collective impact, and the pages that follow highlight many of the successes we achieved working together this year. United Way is you: volunteers, contributors, nonprofits, community and corporate partners, government and organized labor, whose passion and dedication helps us to positively impact the lives of hundreds of thousands of individuals who call our community home.

We have much to be proud of and even more by which to be inspired. We continue to level the playing field and expand our efforts in low-income neighborhoods to bridge the achievement gap; we completed a decade helping working individuals and families achieve financial resilience; and we are working to secure a future where our aging population can live their golden years in dignity. These pages also capture our collective efforts in the face of adversity, bringing help and hope to our neighbors during the unimaginable.

Building community by helping people care for one another is more than our mission. It is our core, the heart of our work. And in today's uncertain times, never has this work been more important.

It is only by working together that we are able to address our community's biggest challenges. We thank you for your passion and commitment to our work and fighting for a stronger Miami.

With gratitude,

Maria C. Alonso
President and CEO

Carlos A. Migoya
Board Chair

OUR WORK

In Miami-Dade, 37 percent of all households are **Asset Limited, Income Constrained, Employed** – we know them as ALICE. They are hardworking families who, although they are employed, are not always able to cover basic needs like food, housing, child care, health care and transportation. An additional 17 percent live in poverty, bringing the total to 54 percent of households in our community struggling to get by each, and every, day.

To create economic opportunity, United Way of Miami-Dade’s work is focused on education, financial stability and health – the building blocks for a good life. That’s because we know that children do better in school and in life when they have access to quality education; families are more financially secure when they have the skill sets to land and keep good jobs; and everyone has a shot at a more productive life when they have access to affordable, quality health care.

OUR WORK IN EDUCATION

impacted the lives of **27,975** children and youth.

OUR WORK IN FINANCIAL STABILITY

empowered **18,800** individuals and families with the skills and resources to set them on the path to financial independence.

OUR WORK IN HEALTH

helped **38,760** individuals lead healthier, active lives.

EDUCATION

Helping children and youth achieve their full potential

Our work in education helps prepare children to enter school ready to learn, to remain socially and academically engaged in school and to graduate on time and be college- or workforce-ready.

This year, United Way Center for Excellence in Early Education launched two new initiatives as part of the Early Head Start-Child Care Partnership program and places parents in the driver's seat. The *Parents as Teachers Initiative* ensures that children's learning and development continues beyond classroom time by providing take-home story books and do-at-home activity cards to engage in developmental experiences in their native languages. A pre/post family survey is later administered to measure gains in reading and child/parent connections. The *Parent Ambassador Program* is an intensive one-year leadership, advocacy and peer-to-peer training program where parents learn how to engage, inspire and motivate other families to make their voices be heard, build and foster relationships with community partners to benefit children, and gain skills toward self-sufficiency.

students with the resources needed for school success.

EXPANDING OUR IMPACT

In August, United Way opened its second EDEN Place (**E**ducate. **D**evelop. **E**mpower. **N**urture.) site in partnership with Sant La Haitian Neighborhood Center – expanding our work to provide support to the North Miami area. The educational family resource center provides parents and/or caregivers with free services that include: educational support and financial literacy workshops, one-on-one counseling, family coaching to help parents become more involved in their children’s schooling and development, and empowers them to advocate for their children’s future success. EDEN Place also serves as a pathway to additional services and/or referrals based on families’ broader needs through Sant La and a network of providers.

MEET JERRY

United Way Youth Institute helps local youth follow successful career paths and become lifelong leaders and community advocates, global citizens and agents of change. Jerry exemplifies all these attributes. A 2017 alumnus, he was among the inaugural cohort of students to complete the program. Early in his teens, while volunteering with the City of Miami Police Explorers Program, Jerry knew he wanted to join the police force as a minority and make a difference in his community. His hard work and drive paid off – today, Jerry is a proud City of Miami police officer with endless opportunities ahead. He also continues to set an example for all Youth Institute fellows – as a law enforcement representative, he served on the panel in last year’s Youth Institute Forum on youth gun violence.

HERE'S HOW WE MADE A DIFFERENCE:

ACCESS TO JOBS

FINANCIAL STABILITY

Helping individuals and families pave a path to financial independence

Our work in financial stability empowers hardworking individuals and families with the tools, training and opportunities to prosper economically.

VOLUNTEER INCOME TAX ASSISTANCE (VITA) PROGRAM

United Way, together with our partners, helped low-income individuals and families receive free tax preparation services by IRS-certified preparers and claim additional tax credits for those who qualified.

11,500+
tax returns filed totaling more than
\$13 million in refunds and more than

MEET APOLONIA

Following a threat on her 6-year-old daughter's life, Apolonia took her daughter, her teenage son and left behind her beloved Venezuela and her job as a pharmacy director. She moved in with family in South Florida while she set out to provide a new life for her children, away from harm. She came across the United Way Center for Financial Stability at the Batchelor Campus, where she received one-on-one financial coaching and learned to create a budget and set goals. The Center also helped her update her resume to find a job. Apolonia and her children have now moved into their own home.

TAX PREP AT NO COST

Branches, City of Miami, City of Miami Beach and United Way of Miami-Dade hosted Super Saturday Tax Day to help Miami-Dade residents prepare and file their taxes early in the year. On that one day, 50 local residents pulled up to José Martí Park in Little Havana and had their taxes prepared by trained, IRS-certified tax experts, resulting in a total of \$55,800 in refunds and nearly \$13,000 saved in filing fees.

MISSION UNITED

Our work in financial stability supports our veterans and their families by way of Mission United. Since opening its doors in 2016, more than 1,000 veterans have received services, including employment assistance, legal and emergency financial services, housing support, tax preparation and food assistance, among others. These veterans represent all five branches of the U.S. Armed Forces: Army, Navy, Air Force, Marine Corps and Coast Guard.

Celebrating Warrior Moms

Together with Mission United of Broward County and the Miami Dolphins, we organized a baby shower for more than 40 veterans from the Miami Veteran Affairs Medical Center. The soon-to-be moms received gift baskets filled with diapers, onesies, baby bath kits, rash creams and other baby essentials. The celebration, held at Hard Rock Stadium, had baby shower games, raffles, gift cards, in addition to a resource fair, where community partners offered their services, including a CPR demonstration for the future parents.

Keys to progress

Nominated by Mission United, veterans Derek Auguste and Jamicia Pinder received the keys to newly refurbished vehicles as part of Progressive's seventh annual Keys to Progress® event ahead of Veterans Day. The program provides direct assistance to veterans and their families to provide reliable transportation necessary to receive medical care, reach employment centers and access other services.

HEALTH

Helping people lead healthier lives

Our work in health ensures access to health care services and healthy lifestyles that create physical, mental and emotional well-being for all – from babies to older adults.

MEET IRIS

It was at the third annual Golden Wishes luncheon, where we celebrated our older adults living healthy, active lives, that we met Iris. Eighty-one years old, she is bright, sweet and engaging, and loves to learn new languages to be able to talk to her neighbors. Nominated by our impact partner, Jewish Community Services, Iris had three wishes – get a smaller bed, replace her worn sneakers and visit with her only living sister in New Jersey, who she had not seen since their mother’s passing in 1967. At the luncheon, we surprised Iris with a new set of sneakers. We also took her shopping for a smaller bed. However, due to COVID-19, the long-awaited reunion following the 53-year separation from her sister would have to wait a bit longer. In total, 20 Golden Wishes were fulfilled, bringing much joy to our deserving older adults.

HEALTH AND WELLNESS AT SCHOOL

United Way continues to push the envelope with a holistic approach to learning with the opening of its second HEAL (**H**ealthy **E**ating **A**ctive **L**iving) site at Jorge Mas Canosa Middle School. At the school, an area has been repurposed as a garden to provide the students the opportunity to engage their sense of sight, touch, smell and sound. Studies show that school gardens are tied to higher science grades and better eating habits. For children in underserved communities, these gardens can provide them access to, and possibly awaken their curiosity in, STEM. Our first HEAL site at Wesley Matthews Elementary School, in partnership with Baptist Health South Florida, is focused on healthy eating, physical activity and emotional health.

SAVINGS ON PRESCRIPTION DRUGS

The United Way of Miami-Dade/ FamilyWise partnership surpassed the \$17 million dollar mark in savings on costs of prescriptions drugs. In its 12th year, the partnership has helped more than 201,000 families receive, on average, more than a 40 percent discount by using the FamilyWise Prescription Drug Discount Card. The card is accepted at more than 700 local pharmacies. Last year alone, our FamilyWise partnership saved families in Miami-Dade \$1.8 million.

HERE'S HOW WE MADE A DIFFERENCE:

ACCESS TO CARE

27,452

people accessed care to improve their physical, mental and emotional health needs

25,046

screenings, tests and assessments were conducted through United Way-funded programs

18,309

EMERGENCY RESPONSE

In addition to our work in education, financial stability and health, United Way serves as a community convener, bringing people and resources together in response to natural disasters and other emergencies.

COVID-19

In early 2020, COVID-19 reached our shores and by mid-March, our country and our community were on lockdown. With 5 out of 10 households (54 percent) in Miami-Dade County, living in, or one emergency away from, poverty, COVID-19 exacerbated an already difficult situation for ALICE individuals and families.

Miami Pandemic Response Fund

Our United Way team sprang into action. On March 16, with our partners at the Miami Herald/el Nuevo Herald, we activated Operation Helping Hands and through it, we launched the Miami Pandemic Response Fund with \$500,000 in seed funding created through an unprecedented funders' collaborative to respond to this emergency. Families and individuals impacted by reduced hours, furloughs and layoffs received assistance with rent and mortgage, food and medication.

Funders' collaborative

- The Frederick A. DeLuca Foundation
- Greater Miami Convention and Visitors Bureau
- Health Foundation of South Florida
- The Miami Foundation
- United Way of Miami-Dade

Additional key funders

- The Children's Trust
- Knight Foundation
- Helios Education Foundation
- Allegany Franciscan Ministries
- Greater Miami Jewish Federation
- Fisher Island Philanthropic Fund
- Corporate partners and individuals

Small Business Assistance Program

As part of the broader Miami Pandemic Response Fund, we also launched the Small Business Assistance Program to help small businesses that may not have been eligible for other assistance. Acting as the clearinghouse, our United Way Center for Financial Stability, in partnership with Branches, processed applications and provided micro-grants to help these small businesses, which are the backbone of our local economy, continue to operate and provide jobs in our community during the slowdown. These businesses also received technical assistance to help them emerge from the crisis poised for growth and sustainability.

VOLUNTEERMIAMI.ORG

VolunteerMiami.org became the go-to portal for United Way volunteers, as well as for local partners and nonprofits, to connect and help our community weather the storm. United Way and 35 local nonprofits offered on-site and remote pandemic relief service activities. The pandemic's impact in our community, like many others, is immeasurable. However, the outpouring of support proved to be more contagious than the virus itself.

MEET GUADALUPE, a single mom laid off from her job at a plant nursery, was able to cover rent and buy groceries to feed her three children with funds she received through the Miami Pandemic Response Fund.

BEHIND THE SCENES, our advocacy efforts mobilized support of Federal relief for individuals, families, nonprofits and businesses by calling upon our congressional leaders to pass the CARES Act. On March 27 legislation was signed, providing desperately needed aid to families and businesses alike.

HURRICANE DORIAN

On September 1, 2019, Hurricane Dorian made landfall in The Bahamas as a Category 5, wreaking havoc across the islands. Knowing firsthand the devastation a hurricane of this magnitude can cause, together with our partners at the Miami Herald/el Nuevo Herald and Univision 23, we activated Operations Helping Hands to offer people a way to help. Through donations received from residents, corporations, business leaders, Miami-Dade County and the City of Miami, and with caring volunteers who received, sorted and packed supplies across six locations in Miami-Dade, we were able to provide immediate assistance to our neighbors in need and assist in the long-term recovery and rebuilding efforts in The Bahamas.

ADVOCACY

We engage decision-makers and policy leaders to address important community needs and leverage the impact of our investments.

For the 2020 Legislative Session, Florida's 28 United Ways adopted the ninth Consensus Legislative Agenda to address public policy priorities across the state as well as strengthen our collective ability to move the needle on key issues important to the communities we serve. Topping the list on the agenda were policies in the areas of education, financial stability and health that would help Florida's ALICE families, who, although employed, struggle to make ends meet as wages remain stagnant and the cost of living continues to increase.

EDUCATION

Increasing accountability in early education

Florida's United Ways advocated for legislation to move the Office of Early Learning from the Office of Economic Opportunity to the Department of Education in order to increase accountability and better align Voluntary Prekindergarten and School Readiness programs with K-12. In addition, we successfully supported an increase to the minimum base salary of full-time teachers.

FINANCIAL STABILITY

Affordable housing for all

As part of the Consensus Agenda, United Way continued to advocate for affordable housing and for dedicated funding for VITA tax preparation services. A big win this year was restricting the use of Sadowski Affordable Housing Trust Funds solely for its intended purpose.

At the local level, our United Way supported the City of Miami's efforts to increase the supply of affordable housing over 10 years to ensure ALICE families can thrive in our community.

HEALTH

Championing access to health care

Florida's United Ways helped increase access to health care for Floridians. We successfully supported the passage of two bills that directly impact children's access to care: the Florida KidCare Program will eliminate the million-dollar lifetime maximum cap on covered expenses for children enrolled in the state's Children's Health Coverage Programs (CHIP); and Health Care for Children will allow school-based health services to be covered for children enrolled in Medicaid.

As part of our local work on the Older Adult Advocacy Task Force,

we hosted the Older Adults Forum welcoming community leaders, past and current elected officials and more than 200 attendees to address critical issues and growing unmet needs of our aging population, which has now outnumbered children aged 0 -17. The standing room only gathering sent a clear message: Miami-Dade's large and growing older adult population is important to local stakeholders, and collaboration and solution-building are a must.

SUPPORTING VETERANS

Veterans' issues are a top priority on the Consensus Legislative Agenda. In response to our work through

Older Adult Forum: Policy perspectives from local leaders on the aging of Miami-Dade County: Fernand Amandi, Bendixen and Amandi International; County Commissioner Daniella Cava; M-DCPS Superintendent Alberto Carvalho; former County Commissioner Juan Zapata; United Way President and CEO Maria C. Alonso; former County Mayor Alex Penelas; County Commissioners Xavier Suarez and Jean Monestime; and Rene Garcia, New Century Partnership.

Florida State Representative Vance Aloupis (center) joined by United Way Public Policy Committee co-Chair Paul Imbrone, Women United Executive Board members Rosary Plana Falero and Johanna Oliver Rousseaux, Public Policy Committee Member Dan Brady, and Committee co-Chair and Board Member Baldwyn English Jr (l-r).

Mission United, Florida's United Ways continue to advocate for veterans and the challenges they face. We successfully supported legislation that will ease the transfer of college credits for veterans within the state of Florida to help them pursue their academic goals.

HITTING THE PAVEMENT

In November, Women United leaders from across the state traveled to Tallahassee for the Third Annual Women United Summit and Capitol Days. Over two days, they met with elected officials and advocated on behalf of Florida's ALICE families and United Ways' Consensus Legislative Agenda. Joined by Public Policy Committee members, they attended 15 meetings, where they asked our elected officials for their support with \$1.2 million in appropriations to expand financial coaching and tax preparation services across Florida.

CENSUS 2020 GOES DIGITAL

For the first time in U.S. history, the Census Bureau made a heavy push for individuals to respond online to the once-a-decade head count, and getting the word out to hard-to-reach populations was more important than ever. As part of the Miami-Dade 2020 Census Task Force, United Way of Miami-Dade played a key role in assisting local outreach efforts to raise awareness on the importance of the census and on participation.

To help curtail the undercount of these populations, in particular, young children aged 5 and younger, United Way supported an aggressive countywide marketing campaign. This included contributing multilingual community outreach materials for use by the task force as well as distribution via numerous communication channels such as United Way's early child care programs, teachers, agency and community partners, in addition to paid social media ads.

VOLUNTEER ENGAGEMENT

VOLUNTEERMIAMI.ORG

VolunteerMiami.org, United Way's engagement platform, is a communitywide volunteer hub that brings local nonprofits and civic-minded individuals together to move the community forward through service and volunteerism. The portal matches volunteers' interests with opportunities that create meaningful and lasting change. Since its launch, first as a go-to portal for United Way volunteers to register for service projects, and in February 2020 as a central hub for local nonprofits to expand their reach in the community, the portal has seen record growth. Nearly 8,700 volunteers and 35 agencies used VolunteerMiami.org to help our community and it was key to the success of large-scale United Way volunteer opportunities, including the 9,500 for 95 Challenge, Martin Luther King Jr. Day of Service and Leaders' Day of Action, among others.

GIVING COMMUNITIES LEAD THE WAY

True leaders make up United Way's giving communities – members leading the way, professionally and personally, through giving and volunteering. Just as diverse as our community, so are our volunteers – starting with our youngest LINC members to our Young Leaders, Women United, Tocqueville Society and our newest members, Small Business United – they spearheaded seven service projects in total and supported many others to improve the lives of our neighbors. Twice a year, everyone comes together for the greater good, beginning with Leaders' Day of Action when nearly 70 volunteers met at Lillie C. Evans Elementary School to freshen up classrooms, common areas and gardens, followed by Martin Luther King Jr. Day of Service which brought together an additional 100 volunteers to build furniture and

assemble resource packets that included children's books, crayons, educational games and notebooks to distribute to the children attending YWCA's Zubkoff Campus, a United Way-funded agency.

CORPORATE ENGAGEMENT IN ACTION

Impact in our community grows exponentially when corporations dedicate days of service from the heart of their businesses – their employees. Corporate engagement has a significant role in supporting the community. With more than 23 projects and the hands and minds of more than 1,500 volunteers, we were able to build STEM (science, technology, engineering and mathematics) and literacy kits, assemble snack packs, paint rooms, build furniture and beautify

gardens at our partner agencies and Miami-Dade County Public Schools. The corporations included: Bilzin Sumberg, Blue Glacier, Cherry Bekaert, Deloitte, EY, JPMorgan Chase, MasTec, NBC/Telemundo, Northern Trust, Royal Caribbean Cruise Lines and Wells Fargo.

SUPPORTING EARLY LITERACY

Through programs and projects such as ReadingPals, Read for the Record and Read Across America, we were able to expand our reach to vulnerable families in an effort to elevate early literacy. In total, 276 volunteers joined our efforts to read, to interact and share stories with 312 children as well as to provide books, school supplies and snack packs to more than 600 families in Miami-Dade County.

VOLUNTEERS ON TAP

By partnering with local restaurants, bars and breweries to host volunteer service projects, our Volunteers on Tap series combines giving back with a social twist. Last year, service projects hosted by American Social and The Tank Brewing Company brought together caring hearts and muscle power in support of Community In Schools and 520 Early Head Start-Child Care Partnership students and families, respectively. For the two events, more than 170 volunteers assembled hundreds of back-to-school kits with much-needed supplies and snack bags for distribution to students. The events also introduced new volunteers to United Way's work and mission, with 35 percent being first-time Volunteer on Tap attendees.

YEAR IN REVIEW

TOP HONORS

In recognition of their extraordinary philanthropy, Swanee and Paul DiMare were presented with our highest honor, the Tocqueville Award for Outstanding Philanthropy. The unifying theme of their generosity is the advancement of Miami as a city and it is reflected in their far-reaching impact on numerous organizations and their support for the arts, science and education. Founding members of Mission United, their multi-year gifts have been instrumental in launching and expanding the program that empowers veterans and their families. The DiMares have served as VeritageMiami trustees and supported the Mayor's Ball. More than 400 fellow Tocqueville members attended the private reception at the home of June and Allen Morris and was sponsored by Ed Ansin and Ocean Bank.

A DECADE EMPOWERING FAMILIES

In October, United Way Center for Financial Stability marked 10 years of helping working individuals and families pave a path to financial resilience and empowerment. The Center's long-standing partner, Branches, and founding partner, Bank of America, were joined by representatives of JPMorgan Chase, Carnival Cruise Lines, Citibank, Citi Foundation, Florida Blue, Ocean Bank, Siemer Institute and Wells Fargo to celebrate this milestone. Today, the Center has expanded to three sites and has helped more than 31,000 individuals and families since it first opened its doors.

WOMEN UNITED BREAKFAST REIMAGINED

Jill Ellis, head coach of the 2019 U.S. Women's National Soccer Team, headlined our 19th Annual United Way Women United Breakfast. COVID-19 forced us to adapt and reinvent. In an engaging and powerful interview shared digitally with an audience of more than 2,500, Ellis, the winningest coach in U.S. soccer history, shared life lessons on leadership, team building and persistence. The breakfast was co-chaired by Nelly Y. Farra and her daughters, Dr. Josefina Farra Talone and Nelly M. Farra, and was presented by Leslie Miller Saiontz and Family.

FOODIES, FUN AND FOLLY

This year's VeritageMiami extravaganza brought together more than 1,600 South Florida foodies, wine and beer aficionados for three of its four signature events. Guests reveled in curating a gourmet dinner *à la carte* with celebrity chef Giorgio Rapicavoli and celebrated good beer and food at the ever-popular Craft Beer Tasting and welcomed young professionals to Pros Mix & Mingle at Wynwood Walls. City National Bank served as presenting sponsor for the eighth consecutive year, with President and CEO Jorge Gonzalez and Melinda Gonzalez as chairs, and helped raise more than \$1.3 million benefiting United Way of Miami-Dade.

UCAN GRADUATION

Congratulations to the 2019 UCAN (Union Community Activist Network) graduates! Every year, United Way of Miami-Dade and South Florida's AFL-CIO sponsor a five-week training program that prepares organized labor representatives with expanded skills and information to better assist and empower members, co-workers, their families and neighbors to seek existing social services. Graduates and their guests had an opportunity to experience an ALICE Simulation, which provided them with a glimpse of the struggles of working families in our community.

CELEBRATING WITH OUR PARTNERS

Our 57 impact partners and grantees joined United Way to celebrate 95 years of empowering the most vulnerable in our community. Agency executives, board members, council chairs and volunteers gathered to toast our collective efforts in helping children and youth achieve their full potential, accelerate economic mobility and promote healthy living. The camaraderie was palpable. Joining the celebration were representatives from our original six agencies from 1924: American Red Cross, Children's Home Society, Jewish Community Services, Salvation Army, YMCA and YWCA.

VOLUNTEERS WHO ROCK

At our virtual Annual Meeting and Volunteer Awards Program, we honored five remarkable individuals who selflessly gave their time to making our community a better place – from an elected official to a high school student – they all made a difference:

Florida State Representative Vance Aloupis for championing children's issues and supporting policies critical to ALICE families.

Virginia Akar of Strong Girls for fighting poverty by providing opportunities for local youth.

Carlos L. Martinez of United HealthCare Services for being a powerful voice for older adults and their family caregivers.

Ana VeigaMilton of José Milton Foundation for touching and enhancing countless areas of our community through her tireless generosity of spirit.

Christa Curry, a sophomore at Barbara Coleman Senior High, whose nonprofit Christa Cares provides homeless mothers with purses filled with toiletries and much-needed items for women.

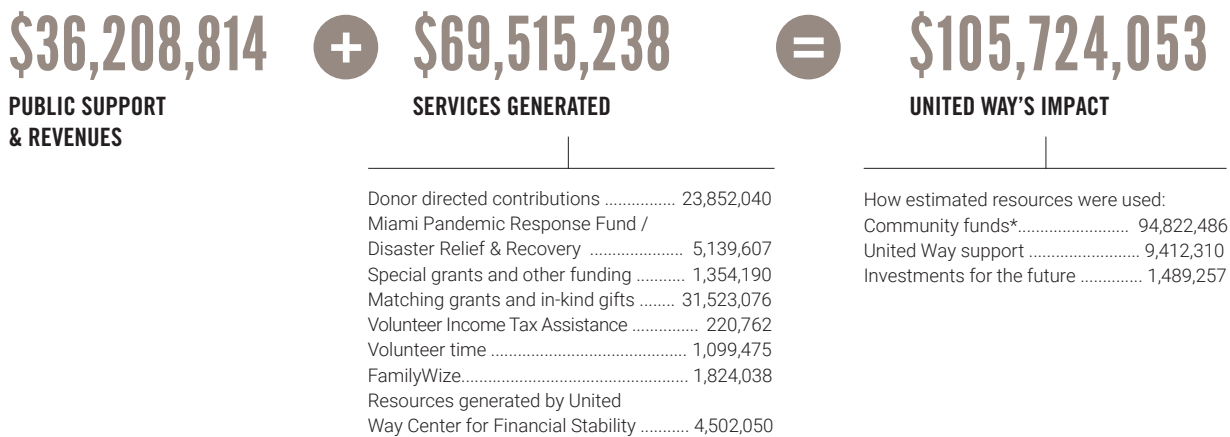

FINANCIALS

We take our role as stewards of contributor dollars very seriously. There is nothing more important than the trust our contributors place in us. We have institutionalized strict governance practices, which include volunteer oversight at every level, to ensure the highest standards of operational efficiency and effectiveness.

United Way turns every \$1 in unrestricted public support and revenues raised into \$2.92 in direct community impact

SOURCES OF REVENUES, SERVICES AND OTHER IMPACT TO THE COMMUNITY

IMPACT BEYOND THE NUMBERS

United Way provides services or participates in partnerships to improve the social service system in Miami-Dade County and beyond. Serving as fiscal agent, providing advocacy support via its public policy efforts, or bringing the community together to effect positive change, United Way impact goes beyond the direct economic value of its work. Below are examples of United Way initiatives and other support:

IMPACT PARTNERS

2019-2020 United Way Program Funding

Among the ways our United Way helps make Miami a more educated, prosperous and healthy community is by investing in 98 programs at 57 impact partners and grantees that achieve measurable results. All program investment decisions are made by trained community volunteers from a variety of professional backgrounds, based on community needs, strategic objectives, programmatic outcomes, and agency governance and stewardship practices.

In addition to the investments listed below, some individuals chose to direct their gifts to a single agency. More than 960 nonprofits received support through the 2019 United Way campaign, bringing additional services to the people of Miami-Dade as well as in other communities.

Empower U provides health care services, including primary medical care, well child visits and immunizations, prenatal care, mental health and substance abuse counseling, HIV, Hepatitis-C and STD screening and treatment, among other services, to underserved minority residents disproportionately affected by health disparities.

SPECIAL PARTNERSHIPS

The following programs represent services that have been deemed to be essential for the functionality of the social services delivery system and/or the community's ability to respond to emergencies. These are programs that may not fall into our education, financial stability or health impact areas but are supportive of the larger mission of United Way.

Disaster Cycle Services | American Red Cross of Greater Miami & the Keys

The American Red Cross' Disaster Services program includes response, recovery and readiness activities such as mass care, client casework and assistance, disaster health and mental health services to meet disaster victims' immediate needs and reduce the suffering of victims of natural and man-made disasters.

Foster Care Citizen Review | Florida Foster Care Review

Based on the concept of citizen review – using volunteers as independent monitors of the foster care system – Foster Care Citizen Review addresses both the need to help the courts with increasing caseloads and the need to involve communities in the care of foster children. Florida Foster Care Review (FFCR) recruits and trains volunteers to review and monitor cases of children in foster care during monthly Citizen Review Panel (CRP) hearings.

JCS Helpline Services | Jewish Community Services

The 2-1-1 information and referral line was created as a way to give communities an easy number to remember through which they can access valuable information about available services free of charge. Through needs assessments and referrals, community members and social service

providers are connected to services such as education, employment, food, health care, housing, income support and counseling at any hour, even during times of crisis or disaster. Jewish Community Services assists callers 24/7, 365 days a year backed up by an extremely large database of community resources.

Residential 24/7 Emergency Youth Shelter | Miami Bridge

The Miami Bridge Residential 24/7 Emergency Youth Shelter program provides respite shelter and care to youth, aged 10 to 17 years, who run away from family situations characterized by abuse, neglect or domestic violence. In addition, the Department of Children and Families (DCF) and the child welfare system turn to Miami Bridge when no appropriate community-based homes are available to provide domicile for adolescents who have been removed from their homes or who are lingering in the system. The program serves nearly 400 children every year at their central Miami-Dade and Homestead locations, providing 24-hour supervision along with crisis intervention, counseling (individual, group and/or family), health and wellness, and socialization in the community.

About United Way of Miami-Dade

Since 1924, United Way of Miami-Dade has been an enduring force in changing lives and creating a positive impact in our community. Our community of volunteers and advocates are more committed than ever to working with us to build a stronger Miami. It is through our work in education, financial stability and health that we effect change – transforming vulnerability into empowerment, poverty into opportunity and despair into hope.

Investment/recognition options

Family gifts – You can be a part of our Leadership & Endowment Circle by combining your gift with that of your spouse/partner for a total donation of \$1,000 or more annually. Further, you can be part of our United Way of Miami-Dade Tocqueville Society by combining your gift with that of your spouse/partner for a total of \$10,000 or more.

Fast track giving – Through our fast track program, you can attain a higher level of giving over a three-year period through annual increases. Based on your commitment, you will receive recognition at the higher level beginning the first year.

LINC Lead Impact Network Change. LINC is a group of dynamic individuals—30 and younger who are passionate about building a stronger Miami.

Loyal Contributor – If you have been giving to United Way - any United Way - for **10 years or more**, we want to know about it. We want to show our appreciation and give you our special thanks for all you have done for so many people in our community. Your consistent support has changed lives.

Tocqueville Society (TS) – The United Way Tocqueville Society is an influential group of dynamic leaders who are devoted to building a stronger Miami.

The United Way Endowment – The United Way Endowment perpetuates our work by building a permanent savings account for our future. The Endowment provides United Way the financial stability and flexibility to continue to create lasting solutions to our emerging health and human service needs.

Women United (WU) – Women United is a circle of purpose-driven women, passionate about making a difference through philanthropy and service.

Young Leaders (YL) – United Way Young Leaders is an engaged group of young professionals—40 and younger—who are dedicated to building a stronger Miami.

Giving options

Invest directly in the community plan and improve lives.

When you invest directly in the community plan, your gift helps us further our goals in education, financial stability and health. When you choose to target your gift to one or more of United Way's three areas of impact, your gift will be invested exclusively to address needs in that specific area of interest or concern. Trained, professional volunteers, knowledgeable about the needs of Miami-Dade, determine how best to accomplish our goals. They also monitor the effectiveness of each program. Every \$1 dollar invested in the community plan turns into \$2.16 worth of help to our community.

Restricting your gift

If you choose to limit the impact of your contribution by restricting it to a specific agency, your contribution will not have the benefits of matching funds or United Way program monitoring. With the exception of restrictions to United Ways in Florida, United Way will retain one-and-a-half-percent (1.5%) of the restricted amount, to

offset fundraising and processing expenses. In order for an agency to receive restricted funds through United Way, it must meet the following eligibility criteria:

- Nonprofit, tax-exempt IRS 501 (c) (3) status
- Or, any United Way (even if outside of Florida)

To restrict your contribution to a specific agency, there is a minimum amount of \$100. Send an email with the name of your restricted agency and the amount to restrictedcontributions@unitedwaymiami.org

Impact council volunteers begin determining agency allocations as of January 1.

Any restrictions received after that deadline cannot be honored. If you have any questions, please contact your employee campaign manager or call United Way's Contributor Choice administrator at (305) 646-7070.
