Town Attorney Helfman spoke on the items. The first thing that has to be announced at each of these meetings is the proposed millage rate, which he read into the record. The proposed millage rate for the Town for the Fiscal Year commencing on October 1, 2023 through September 30, 2024 is fixed at a rate of 7.6015 mills. The rollback rate is 6.7523. The proposed millage rate is 12% over the rollback rate that the voted debt millage service for the fiscal year will be .7985 mills.

Town Manager gave a brief presentation of the budget and the Town's funds. No changes have been made to the Town's millage rate and budget since the last budget workshop. All of our residents have received the residents digest version of the Town's budget. We are proposing a combined millage of 8.4 mills, which has stayed the same over the last 9 years. The voted debt millage is .7985 while the general obligation mills will be 7.6015 to fund the operations of the Town. At the end of this fiscal year, we will have a proposed fund balance of \$6 million and \$2.6 million of that is the receivable from Stormwater. Finance has been tasked with the yearly review for the audit financials by the March meeting. This year we will be authorizing a combined Capital and General Fund and all of the other fund balances at \$24,521,549 with the general fund at \$14.5 million, the Law Enforcement Trust Fund at \$245,871, the Debt Service at \$1.2 million, and the Capital Improvements Fund at \$7.4 million. That \$7.4 million is allocated for the Civic Center Project. Finally, we have the Stormwater Utility Fund at \$1 million.

Councilmember Mendal asked about the building insurance.

Town Manager stated that the building is under the builder's risk insurance and there is an allocation of \$218,000 should we decide to go insure the building. It was allocated to the 519 Fund. That money cannot be spent without the council's approval. In consultation with the Mayor, we are heavily leaning towards re-insuring for at least one more year so it buys us time to understand what is going on with the Florida Legislature. Will know in March where we are with the fund balance because the audited financials will be done by then. It will give us time to hire the right staff to guide us in that process. The brokers have been slow to respond because the market is not there. The idea is that we will have the money set aside in the budget and should we decide in the October meeting that we want to fund it, we will.

Mayor Singer stated that the town manager and him did decide that if they do go self-insured they would bring it before the council.

Town Manager stated that one of the dialogues with the league is about what would be the costs with going with something that has a standard deduction. We are remaining open to different options.

Councilmember Einstein requested a copy of the proposed policy.

Town Manager stated that as soon as we get the riders and the binders we will get it to them. Also stated that Form 6 does not go into effect until August 2024. This year's deduction starts in January and should end by late February because it is a condensed session because it is an election year.

Town Manager also stated between now and the October meeting we would hopefully have enough time to have spoken with at least one more broker and understand the conditions and risks of self-funding and seeing if there are certain insurances that we

can buy and run the risk on only wind and be able to see what we can insure and we can carve out. Our builder's risk runs through October 31st and we have our meeting before then. If we want to insure for one year, we can do that we have the money set aside to do that in this budget for that purpose. If the council decides that they want to self-insure, then those funds will be set aside if there was an event next year. There is no recommendation for which direction we are going to be heading in.

Vice Mayor Bernstein stated that he has noticed in the past with brokers through experience that they tend to go towards the same people. There are not that many bidders out there.

Town Manager stated that that is an excellent observation. We go directly to them, there's no broker's involved. The brokers that we are meeting with they are looking at PGIT through brown & brown and the League of Cities represent about 80% of the cities in south Florida. The league will not be giving us the final numbers or binders until we are closer to completion date. We will not be renewing our builder's risk. Question is are we going to enter into a binded for storm and wind before October.

H. MAYOR'S REPORT

Mayor Singer congratulated the department heads for their work on the budget. Also, spoke on the Civic Center project and how it is moving along. It is moving along very nice and once it is completed, everyone will be very pleased with it. Very excited and very proud of what this council has done. Site work for the tennis courts is moving along and the elevation is very high. The elevation should alleviate any flooding from occurring. We are working on the Wellness Center and making progress.

3. An Ordinance of the Town Council of the Town of Golden Beach Amending the Town of Golden Beach Employees' Pension Plan.

AN ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF GOLDEN BEACH, FLORIDA, AMENDING CHAPTER 24, "PERSONNEL," ARTICLE II, "RETIREMENT," DIVISION 1 "GENERAL EMPLOYEES" BY AMENDING THE TOWN OF GOLDEN BEACH EMPLOYEES PENSION PLAN AT SECTION 24-31 "DEFINITIONS"; SECTION 24-33 "BENEFIT AMOUNTS AND ELIGIBILITY"; 24-36 "ADMINISTRATION"; SECTION 24-37 "FINANCES AND FUND MANAGEMENT"; CREATING SECTION 24-41 "DEFERRED RETIREMENT OPTION PLAN"; PROVIDING FOR CONFLICTS; PROVIDING FOR SEVERABILITY; PROVIDING FOR CODIFICATION; AND PROVIDING AN EFFECTIVE DATE.

Recommendation: Motion to Approve Ordinance No. 604.23

A motion to approve was made by Councilmember Lusskin, seconded by Councilmember Mendal, and on roll call the following vote ensued:

Mayor Glenn Singer	<u>Aye</u>
Vice Mayor Kenneth Bernstein	<u>Aye</u>
Councilmember Bernard Einstein	<u>Aye</u>
Councilmember Judy Lusskin	<u>Aye</u>
Councilmember Jaime Mendal	<u>Aye</u>

The motion passed.

Town Manager stated that what this item does is put us in line with what other cities do, specifically Bal Harbour, and specifically to our long-term committed employees. What this ordinance does is allows an employee who has been with the town for 25 years to collect their pension at age 55 and if an employee works for the town for 30 years they can collect their pension regardless of age. Wanted to be transparent, at the last meeting he stated that the DROP has not impact that is not completely accurate. But there would only be an impact if all of employees elected the DROP at the same time, which the chances of that are highly unlikely. Reminded the Council and staff, with the DROP it allows employees to elect retirement after 25 years at age 55, after 30 years of service or age 65 and when they enter the DROP, they continue to work for us while collecting their retirement funds in a savings

account that builds over the course of 3 years. This was extended to 5 years for the police.

Starting with this budget there will be no employee in golden beach making less than \$20 an hour.

Mayor Singer stated that the longevity of the employees of Golden Beach it is amazing. My hats off. Knows everyone works very hard.

O. TOWN MAJOR PROJECTS REPORT/UPDATE

- Civic Center Construction update
- Closed Circuit Television (CCTV) Update
- Re-Imagined Tweddle Park Update
- Wellness Center Update

Under contract, the civic center is due to be delivered at the end of this week. We are not going to make that deadline. There are still a couple of elements needed to be done for the building to be right. This is not a mismanagement of the project; this is punch list items that need to be corrected.

The park project is well underway. Right now, we are working on the lighting. We hope to have delivery of the park project sometime after the first quarter of the year.

I do not know what happened this weekend, but four residents called me about the tot lot. The tot lot is not going to be affected until after we build the Wellness Center.

We are waiting for our poles. The poles are supposed to be delivered in January. Hotwire has submitted their plans for FDOT permitting. CCTV is moving along at a very good pace.

Councilmember Mendal asked if there were any issues with the easements.

Town Manager stated that the good news is that none of our residents with poles going into their backyard has a problem with that. Working with the attorney to see what we can do. No resident has said no I do not want it. Hopefully we will get the intercoastal up and running before the end of the year.

Want Council to be clear on where I stand with wellness. We are not going to go out to bid for design services and space options. Lissett Rovira and I have been working on several design options. Goal is that the town will design the building with a team of architects that live in our community. They are guiding us on what works, what does not work. We are going to be bringing a design by both the October and November meeting. Hopefully, the Council will decide at the November meeting which you like or do not like. This gives us the Winter Break to go through design, take January through March to get the construction documents ready to have those documents ready for

council approval by March and go out to bid in March, and sometime in June award a design-build contract. That will be fully bid for construction. It is important because we have an all-in not to exceed \$5.5-million. So we want to make sure we approve a design that we can build.

Councilmember Einstein asked about change orders and if the Council can approve those.

Town Manager stated that although we have been successful the last two years with asking the State for money, they were vetoed. Do not want to build a building contingent on possible dollars. We have already made two changes about what floor system we are going to use and moving the heavy equipment from the 2nd floor to the 1st floor.

Vice Mayor Bernstein asked if it is being designed with a second floor and could you add to the building later?

Town Manager stated yes and stated that we are going to bring to you several options, not going to shove anything down your throats. The thought is that this board and the residents' board will control that option.

Town Manager stated that we are not going to oversize this and make it specific to Golden Beach.

Town Manager stated that we are going to pay for this out of this budget. Goal is to remill and resurface the roadways in the parkways and seal coat The Strand to the East and to the Bridge. The reason you are not seeing Golden Beach Drive as part of this item is because we have been able to negotiate with Miami-Dade County for them to resurface and remill Golden Beach Drive with the exception of the Y in Singer Park. WHEREAS, the City of Miami and the Town of Golden Beach are so located in relation to each other that it is in the best interest and advantage of each to receive and extend mutual aid in the form of law enforcement services and resources to adequately respond to:

- (1) Continuing, multi-jurisdictional criminal activity, so as to protect the public peace and safety, and preserve the lives and property of the people; and

- (2) Intensive situations including, but not limited to, natural or man-made disasters or emergencies as defined under Section 252.34, Florida Statutes; and
- (3) Joint provision of certain law enforcement services specified herein and allowed pursuant to Florida Statute 166.0495; and

WHEREAS, the City of Miami and the Town of Golden Beach have the authority under The Mutual Aid Act, Chapter 23, Part I, Florida Statutes, to enter into a combined mutual aid agreement for law enforcement services which:

- (1) Permits voluntary cooperation and assistance of a routine law enforcement nature across jurisdictional lines; and
- (2) Provides for rendering of assistance in a law enforcement emergency.

NOW, THEREFORE, BE IT KNOWN, that the City of Miami, a political subdivision of the State of Florida, and the Town of Golden Beach, a political subdivision of the State of Florida, in consideration for mutual promises to render valuable aid in times of necessity, do hereby agree to fully and faithfully abide by and be bound by the following terms and conditions.

SECTION I: PROVISIONS FOR VOLUNTARY COOPERATION

Each of the aforesaid law enforcement agencies hereby approve and enter into this agreement whereby each of the agencies may provide voluntary cooperation and assistance of a routine law enforcement nature across jurisdictional lines. The nature of the law enforcement assistance to be rendered shall include but not be limited to:

- a. Concurrent law enforcement jurisdiction in and throughout the territorial limits of the City of Miami and the Town of Golden Beach for arrests, made pursuant to the laws of arrest, for felonies and misdemeanors, including arrestable traffic offenses,

which spontaneously take place in the presence of the arresting officer, at such times as the arresting officer is traveling from place to place on official business outside of his or her jurisdiction, for example, to or from court, or at any time when the officer is within the territorial limits of his or her jurisdiction.

- b. Concurrent law enforcement jurisdiction in and throughout the territorial limits of the City of Miami and the Town of Golden Beach for arrests, made pursuant to the laws of arrest, of persons identified as a result of investigations of any offense constituting a felony or any act of Domestic Violence as defined in Section 741.28, Florida Statutes, when such offense occurred in the municipality employing the arresting officer.

- e. Concurrent law enforcement jurisdiction in and throughout the territorial limits of the City of Miami and the Town of Golden Beach for investigations of homicides, sex offenses, robberies, assaults, batteries, burglaries, larcenies, gambling, motor

vehicles thefts, drug violations pursuant to Chapter 893, Florida Statutes, and inter-agency task forces and/or joint investigations.

Prior to any officer taking enforcement action pursuant to paragraphs (a) through (e) above, the officer shall notify the jurisdiction in which the action will be taken, unless exigent circumstances prevent such prior notification, in which case notification shall be made as soon after the action as practicable. If the agency having normal jurisdiction responds to the scene the assisting agency's officer may turn the situation over to them and offer any assistance requested including, but not limited to, a follow-up written report documenting the event and the action taken.

These provisions are not intended to grant general authority to conduct investigations, serve warrants and/or subpoenas or to respond without request to emergencies already being addressed by the agency of normal jurisdiction, but is intended to address critical, life-threatening, or public safety situations, prevent bodily injury to citizens, or secure apprehension of criminals whom the law enforcement officer may encounter.

SECTION II: PROVISIONS FOR OPERATIONAL ASSISTANCE

SECTION III: PROCEDURE FOR REQUESTING OPERATIONAL ASSISTANCE

1. Mutual aid requested or rendered will be approved by the Chief of Police, or designee. The Chief of Police, or designee, of the agency whose assistance is sought shall evaluate the situation and the agency's available resources, consult with his/her supervisors, if necessary, and will respond in a manner he/she deems appropriate.

2. The Chief of Police in whose jurisdiction assistance is being rendered may determine who is authorized to lend assistance in his/her jurisdiction, for how long such assistance is authorized, and for what purpose such authority is granted. This authority may be granted either verbally or in writing as the particular situation dictates.

3. Specific reporting instructions for personnel rendering mutual aid will be included in the request for mutual aid. In the absences of such reporting instructions, personnel will report to the ranking on-duty supervisor on the scene.

4. Communications instructions should be included in each request for mutual aid and each agency's communications centers will maintain radio contact with each other until the mutual aid situation has ended.

5. Incidents requiring mass processing of arrestees, transporting prisoners, and operating temporary detention facilities will be handled per established procedures of the requesting agency or Chief of Police involved.

SECTION IV: COMMAND AND SUPERVISORY RESPONSIBILITY

a. COMMAND:

The personnel and equipment that are assigned by the assisting Chief of Police shall be under the immediate command of a supervising officer designated by the assisting Chief of Police. Such supervising officer shall be under the direct supervision and command of the Chief of Police or his/her designee of the agency requesting assistance.

b. CONFLICTS:

Whenever an officer is rendering assistance pursuant to this agreement, the officer shall abide by and be subject to the rules and regulations, personnel policies, general orders, and standard operating procedures of his/her own employer. If any such rule, regulation, personnel policy, general order or standing operating procedure is contradicted, contravened or otherwise in conflict with a direct order of a superior officer of the requesting agency, then such rule, regulation, policy, general order, or procedure shall control and shall supersede the direct order.

c. HANDLING COMPLAINTS:

Whenever there is cause to believe that a complaint has arisen as a result of a cooperative effort as it may pertain to this agreement, the Chief of Police or his/her designee of the agency employing the officer who is the subject of the complaint shall be responsible for the investigation of the complaint. The Chief of Police or designee of the requesting agency should ascertain at a minimum:

1. The identity of the complainant;
2. An address where the complaining party can be contacted;
3. The specific allegation; and
4. The identity of the employees accused without regard as to agency affiliation.

If it is determined during the investigation of a complaint that the accused is an employee of the assisting agency, the above information, with all pertinent documentation gathered during the receipt and processing of the complaint, shall be forwarded without delay to the agency for administrative review. The requesting agency may conduct a review of the complaint to determine if any factual basis for the complaint exists and/or whether any of the employees of the requesting agency violated any of their agency's policies or procedures.

SECTION V: LIABILITY

Each party engaging in any mutual cooperation and assistance, pursuant to this agreement, agrees to assume responsibility for the acts, omissions or conduct of such party's own employees while engaged in rendering such aid pursuant to this agreement, subject to the provisions of Section 768.28, Florida Statutes, where applicable.

SECTION VI: POWERS, PRIVILEGES, IMMUNITIES AND COSTS

a. Employees of the City of Miami and the Town of Golden Beach when actually engaging in mutual cooperation and assistance outside of their normal jurisdictional limits but

inside this State, under the terms of this agreement, shall, pursuant to the provisions of Section 23.127(1), Fla. Stat. (as amended), have the same powers, duties, rights, privileges and immunities as if the employee was performing duties inside the employee's political subdivision in which normally employed.

b. Each party agrees to furnish necessary personnel equipment, resources, and facilities and to render services to each other party to this agreement as set forth above; provided, however, that no party shall be required to deplete unreasonably its own personnel, equipment, resources, facilities, and services in furnishing such mutual aid.

c. The political subdivision that furnishes equipment pursuant to this agreement must bear the cost of loss or damage to that equipment and must pay any expenses incurred in the operation and maintenance of that equipment.

d. The political subdivision furnishing aid pursuant to this agreement shall compensate its employees during the time of the rendering of aid and shall defray (provide for the payment of) the actual travel and maintenance expenses of its employees while they are rendering aid, including any amounts paid or due for compensation for personal injury or death while its employees are rendering aid.

e. The privileges and immunities from liability, exemption from laws, ordinances and rules, and pension, insurance, relief, disability, workers' compensation, salary, death, and other benefits that apply to the activity of an employee of an agency when performing the employee's duties within the territorial limits of the employee's agency apply to the employee to the same degree, manner, and extent while engaged in the performance of the employee's duties extraterritorially under the provisions of this mutual aid agreement. This section applies to paid, volunteer, reserve, and auxiliary employees.

f. Nothing herein shall prevent the requesting agency from requesting supplemental appropriations from the governing authority having budgeting jurisdiction to reimburse the

assisting agency for any actual costs or expenses incurred by the assisting agency performing hereunder.

SECTION VII: FORFEITURES

It is recognized that during the course of the operation of this agreement, property subject to forfeiture under Sections 932.701 – 932.707, Florida Statutes, known as the “Florida Contraband Forfeiture Act,” may be seized. The property shall be seized, forfeited, and equitably distributed among the participating agencies in proportion to the amount of investigation and participation performed by each agency pursuant to the provisions of the “Florida Contraband Forfeiture Act.”

SECTION VIII: INSURANCE

Each political subdivision shall provide, upon request, satisfactory proof of liability insurance by one or more of the means specified in Section 768.28, Florida Statutes, in an amount which is, in the judgment of the governing body of that political subdivision, at least adequate to cover the risk to which that party may be exposed. Should the insurance coverage, however provided, of any party be canceled or undergo material change, that party shall notify all parties to this agreement of such change within ten (10) days of receipt of the notice or actual knowledge of such change.

SECTION IX: EFFECTIVE DATE

This agreement shall take effect upon execution and approval by the hereinafter named officials and shall continue in full force and effect for five (5) after it takes effect. Under no circumstances may this agreement be renewed, amended, or extended except in writing.

SECTION X: CANCELLATION

Either party may cancel its participation in this agreement upon delivery of written notice to the other political subdivision.
