Town of Golden
Beach

Building Department
305-932-0744

The following are Instructions on how to apply for online permitting:

1. The Town's on-line permitting will be limited to certain permits. Permits that require large signed and sealed plans will not be permitted through the online permitting system and an appointment is needed for submittal to the department. Appointments can be made through the Town's website by accessing the Building Department Portal.
2. All Contractors must be registered with the Town, have a valid email account, PDF software, and have access to the Town's website in order to apply on-line.
3. To start the process you must first check with our department to see if you are registered and that your current contractor information/registration is up-to-date in the system.
4. If your Company is in a current status you can apply by accessing the Town's website at www.goldenbeach.us, you then access the Building Department section where you will find a button referred to as "on-line permitting applications – Apply Now".
5. Once you click on this access button a form will appear called "online permit application", which looks like this:

Company Name * Fill in your Company Name

Qualifier Name * Fill in the Qualifier's Name

Contractor Number (Last 4 Digits) * Fill in the last four digits found on the Contractor Registration Form.

Phone * A phone number must be supplied

Email * A valid email account is required.

Permit Type A drop down box is provided for all permits, building, electrical mechanical, etc. Select your permit preference

File Upload

Select Files

These buttons are used to upload your completed permit application and any backup that is required.

6. Once you complete the form and click the submit button you will receive a (no-reply) email stating that a representative of the department will verify your information.

7. Upon verification and input of your information, an invoice for the initial processing fee will be sent to you via email for payment to the email account on file. Payment can be made by forwarding a PDF of your issued check to the email you received after receiving your invoice. If you prefer, you can send a payment check to the Town of Golden Beach at 100 Ocean Boulevard, Golden Beach, FL. 33160, Attention: Building Department – Payment Enclosed.
8. Once your payment is received your application will be routed to the appropriate plans examiner for approval. Should your application not receive an approval you will be sent comments to the email account on file for resubmittal of the corrected information required.
9. Upon approval of your application, a staff member will calculate the fees due the Town and email you the invoice for payment, and notify you that your application has been approved, your options for payment remain the same as stipulated in paragraph 7 above.
10. Once your payment is received and posted you will receive an email with your approved permit and backup documents, if applicable.
11. You will then be permitted to move forward with your construction schedule and schedule inspections.
12. Below is a schedule of permissible permits, the plan, and backup requirements, if any. All permits submitted require a permit application and a copy of the signed contract between the owner and contractor.
