MEMORANDUM

Date: June 17, 2025

Item Number:

To: Honorable Mayor Glenn Singer &
Town Council Members

6

From: Alexander Diaz,
Town Manager

Subject: Resolution No. 3016.25 – Authorizing the Purchase of Two Police
Administrative Vehicles and Lease to/or Purchase of Two Administrative
Vehicles

Recommendation:

It is recommended that the Town Council adopt the attached Resolution No. 3016.25 as presented.

Background and History:

As part of the Town's ongoing vehicle replacement and fleet management program, the Administration is recommending the purchase of two new Administrative Vehicles for the Police Department and the lease-to/or purchase of two new administrative vehicles for use by the Town Manager and the Building Department.

These vehicles will replace the ageing models currently used by the Police Department, the Building Department and Town Manager, and are necessary to ensure safe, reliable transportation for department leadership and executive staff. These vehicles are assigned as part of the contractual benefits package for executive team members and are utilized for operational, on-call, and emergency response needs.

Acquisition Structure

- Two (2) vehicles will be purchased outright for administrative use within the Police Department.
- Two (2) vehicles will be acquired via a lease-to/or purchase arrangement, consistent with the Town's leasing model for detached officers or other previous purchases. As such we would be authorized to enter into lease-to/or purchase agreements for two (2) vehicles, in an amount not to exceed a cumulative total of \$2,800.00 per month if leased or similar price of the Admin car to purchase.
- Emergency Light Packages in an amount not to exceed \$22,000 for all vehicles.

The lease-to/or purchase model mirrors the approach used in our Detached Officer Program.

The Administration recommends that the Town Council authorize the purchase of two administrative vehicles for the Police Department and the lease-to-purchase or purchase of two executive vehicles, consistent with the Town's budget and fleet policy. All costs are within expected ranges and will follow standard procurement and leasing processes.

Financial Impact:

An amount not to exceed \$134,000.00 for the purchase of two new Administrative Vehicles for the Police Department, a monthly amount not to exceed a combined total of \$2,800.00 for the lease-to/or purchase of Two Administrative Vehicles, unless purchased, for use by the Town Manager and the Building Department, and an emergency lighting package not to exceed \$22,000.00 for all vehicles.
